

A walk with God in my garden this evening as I heard ...

The need for us to move our focus from man to God for a joyful life ...

Dear One,

What a blessing to enjoy some quiet this evening ... rare for me as my life is all about people. But oh, how I cherish these little moments.

The time has come for us to move our focus from man to God understanding clearly that no one can give us the ultimate joy we are seeking in life:

- I am pained because my parents hurt me ... they are human too – not perfect yet.
- I am pained by the lack of love from my siblings ... they are human too – not perfect yet.
- I am pained by how my trusted friend betrayed me ... they are human too – not perfect yet.
- I am pained by because my employer does not value me ... they are human too – not perfect yet.
- I am pained by my spouse who I love so much ... they are human too – not perfect yet.
- I am pained by how my child treats me ... they are human too – not perfect yet.

We are on a journey to the perfection mentioned in Matthew 5:48 but we are not there yet. Whether you are in your home, at work or elsewhere ... keep your eyes glued on Him. When you do, what you find is that all else becomes mere shadows in light of Him for He is all you see.

So, while things still happen around you, you find yourself calmer, less hurt, more encouraged since the one you are focused on will never disappoint you ... His love is perfect and ever present.

When I Look Into Your Holiness Lyrics

Kent Henry

When I look into Your holiness
When I gaze into Your loveliness
Your loveliness
When all things that surround become shadows
In the light of You
In the light of You

When I've found the joy of reaching Your heart
When my will becomes enthroned in Your love
When all things that surround become shadows
In the light of You
Light of You

I worship You I worship You
I worship You
The reason I live is to worship You

When I look into Your holiness
When I gaze into Your loveliness
Your loveliness
When all things that surround become shadows
In the light of You
In the light of You
In the light of You

When I've found the joy of reaching Your heart
Reaching Your heart
When my will becomes enthroned in Your love
When all things that surround become shadows
In the light of You
It's the reason that I live

I worship You I worship You
I worship You
The reason I live is to worship You
