

Temple Care ... Greetings

Dear One,

I think it was in 2012 that this all happened for me. I was up around 4:00am preparing my 'To-Do List' for the new week. At that time, I was heading multiple projects globally with a diverse team.

For me, that Monday morning was like any other, ensuring my to-do list was thorough so that I could aptly guide my teams. But oh, it was not the same morning as others! I heard a voice say very clearly: "Stop. Put down your pen". It was so firm yet sweet. I stopped right away. The voice went on: "If temple care is not at the top of your To-Do List, all else is null and void". I just sat there in silence for hours. How did I miss that? Simple yet so profound and as large as life.

My to-do lists were usually pages and pages because of the many large projects. So, if temple care is not on the list, then all those pages mean nothing. Wow! But what was so revelatory for me? Of course, all else is null and void. Each item on that list was about serving others and me in one way or the other. Sure, what we do should be for the glory of God so in essence, all items on the list are for Him. But how can they be for Him if the one place where He *is* in our life is neglected ... our Body, His temple? His dwelling place! That place where He resides in us in peace and joy.

So, I took this seriously and started to listen so that I could understand what He desires of this temple care. Much has been revealed over the years and now the time has come when there is such a longing to share with you. Not just a longing but a requirement as we prepare the Bride of Christ for Him. You see she has to be a very slim bride ... one that can pass through a needle eye. Stripped of all that is not of Him. One that is totally slenderized for Him!

But what is this temple care about? How do we do this temple care? How do we stay on track? What is the purpose of it all? Why is it so important now more than ever? What is it we need to do?

Pray with us as we keep listening together. We will guide you lovingly as we are guided.

Stay tuned ... all for His glory!

Love, D

TEMPLE CARE

It is a Requirement not an Acquirement

In my Father's house, are many mansions: if it were not so, I would have told you. I go to prepare a place for you.
