

Prayers for the Nations

Restoration of each for the Kingdom

The kingdoms of this world
have become the kingdoms of
our Lord, and of His Christ,
and He shall reign forever
and ever (Revelation 11:15 b)

Dr. Dale A. Dan

Sharing this with everyone but especially with those of you who have a heart for and calling to all nations. I join you in prayer!

But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light (I Peter 2:9).

*Please note that unless otherwise indicated,
all scriptures are King James Version
(KJV).*

Please note that this PDF book is being shared with everyone at no cost. Use and share freely. We join in prayer for all nations and peoples.

~ All Peoples ... All Nations ~

We pray for all peoples and all nations globally. Those that are recognized formally as a country and all others. God's love covers the whole earth!

The earth is full of the goodness of God.

(Psalm 33:5)

GREETINGS

Dear Fellow Journeyer,

My fascination with the globe started around age 5 and a desire to serve God's people globally at age 10. I would feel my heart carrying the entire globe from a tender age.

A love for God and His people continued into adulthood. I got the opportunity to travel through both my professional and mission work. At a young age, my mother who saw my thirsting to give to people, would remind me constantly that I will never have enough to give ... I had to find ways of giving education that is a multiplier in helping them take care of themselves and their loved ones. I believed this. God used my journey to make education and jobs possible for thousands and provided millions of dollars to make this possible. He is a God of love and care. In Him, we lack nothing. We just have to be willing. Where He takes us, His grace will keep us. As done with Moses: "Now I am sending you ..." (Exodus 3:10) and I will be with you ... (Exodus 3:12)

May this book of prayers fill your hearts with love for all nations and peoples as each nation returns to their God.

Love, D

THEME SONG

Our Hearts, Our Desire is to see the Nations Worship

Our heart, our desire
Is to see the nations worship
Our cry, our prayer
Is to sing Your praise
To the ends of the earth

That with one mighty voice
Every tribe and tongue rejoice
Our heart, our desire (our heart, our desire)
Is to see the nations worship You (is to see the
nations worship You)
I want to introduce, my dear friend and my brother

Our heart, our desire (our heart, our desire)
Is to see the nations worship (is to see the nations
worship)
Our cry, our prayer (our cry, our prayer)
Is to sing Your praise (is to sing Your praise)
To the ends of the earth (to the ends of the earth)

That with one mighty voice
Every tribe and every tongue rejoice
Our heart, our desire (our heart, our desire)
Is to see the nations worship You

Heavenly Father
Your mercy showers
Down upon Your people
Every race upon the earth
May Your Spirit pierce the darkness
Break the chains of death upon us

Let us rise in honest worship
To declare Your matchless worth

Our heart, our desire (our heart, our desire)
Is to see the nations worship (see the nation worship)
Our cry, our prayer (our cry, our prayer)
Is to sing Your praise
To the ends of the earth (to sing-earth)

And with one mighty voice
Every tribe, every tongue rejoices
Our heart, our desire (our heart, our desire)
Is to see the nations worship You
Join us to night

Our heart, our desire (our heart, our desire)
Is to see the nations worship (to see all of the nations
worship)
Our cry, our prayer (our cry, our prayer)
Is to sing Your praise
To the ends of the earth (to sing to your o)

That with one, one mighty voice
Every tribe, every tongue rejoices
Our heart, our desire
Is to see the nations worship You (is to see the
nations worship You)

Our heart, our desire (our heart, our desire)
Is to see the nations worship (Is to see the nations
worship)

AFGHANISTAN

Dear Father,

We bring our brothers and sisters, your children in Afghanistan before you. About 37 million. I reflect on this mountainous nation as I see your feet upon each mountain bringing your peace and joy.

We know the words of our prayer cannot return void for you remain the God of our utterances. We know you care about the needs of your children.

In your name we rest for the healing and wellness of your people. We join the voices of many there lifted to you with hope.

May all bow in your Holy presence as each cries: ‘Abba, Father’.

Amen

ALBANIA

Dear Papa God,

We join your children, our sisters and brothers in Albania. About 2 million precious lives all created in your image. So very precious. We claim each life for you Father. Only you know the depth of joy or pain in each. Wrap them securely in your arms giving daily hope.

God, this country was also lifted into the limelight through housing the forefathers of your daughter ... Mother Teresa who dared to go above and beyond in showing the world your love for the poorest of poor. We know she now rests safely with you as your faithful one. Please continue her heart for mankind throughout this country.

We rejoice for this nation today as we acknowledge that there is truly only one powerful God and your power reigns amidst your people there.

Amen

ALGERIA

Dear Father,

Today I think of some 43 million of your people in Algeria, our largest African country. So many lives that can minister you on this earth. So many to love you and their neighbors. We think of your love being multiplied by so many humans. Thank you, God, for each of these precious lives. Millions yet ... you reside in each one and love each one. Touch these lives as you enjoy seeing another heart transformed for our glory.

We pray for peace and a clear direction from the top that will flow through its land giving direction that transforms this people for your glory. May the vastness of this African nation dare to set an example for all others through its leadership and many lives that speak of your presence.

We trust you precious God for indeed it is all possible in and through you.

Amen.

ANDORRA

Dear Father,

We thank you for our 77,000 precious brothers and sisters and your children in this country known for being a pioneer with fiber optic network. Please use this technology to strengthen their communications in a positive way and to further your presence throughout this small country.

The beauty in Andorra is yet another example of your awesome creation. May the many tourists feel your presence through its beauty and its safety in having one of the lowest crime rates. Keep it safe. Keep your country close to your heart.

Amen

ANGOLA

Dear Father,

Bless this nation where some 33 million of your precious people reside. Rich in their natural resources with a high youth population.

Oh God I am reminded that while so many factors cause a country not to be considered one of the wealthiest, what cannot be taken away is its rich history and the natural blessings bestowed upon its land area. Guide and show how these natural resources can be used for sustainability through the gifting of this people.

Reveal yourself to the high youth population there that they may be nourished by you. Grow them in ways that will further their purpose in you. That their lives will lift this nation in ways that honor you and serve each other.

We rejoice with our brothers and sisters there for we know there is nothing impossible with you.

Amen

ANTIGUA & BARBUDA

Dear Heavenly Father,

Our 97,000 sisters and brothers housed in one of the smallest countries yet so rich as well in resources. Your amazing creation truly spans across the globe.

Continue to be present in this nation that has a high percentage of believers. May their prayers heal and reduce the crime level there. May the prayers of these believers also reach into the rest of the world. With no direct neighbors, you help them find ways to keep connecting with other countries so that they continue growing their relationships globally.

Wrap this country with your love and hope and be present in each life that finds purpose daily. The hope that costs nothing more than a commitment to you that brings fulfillment to each. We thank you for your mighty Hand that makes a way where there does not seem to be a way.

Amen.

ARGENTINA

Dear God,

We wrap our 45 million brothers and sisters with your love and assurance. A country so rich in resources and stands as one of the largest countries in the world and second largest in South America. Yet it is not without challenges. Touch its leadership with continued guidance that it may find the best ways to fully utilize all its natural blessings to level its economic equity.

A nation that largely acknowledges your Son through its Catholic faith. May you remain present in hearts and minds that allow you to reign as Christ in the midst of its daily dwelling.

May the largeness of this nation's territory have an umbrella effect on the many fellow Latino countries that look to its leadership and seek its partnership.

Let it become a beacon of hope to many and a hand of support to those countries not as privileged.

We thank you for you are such a majestic God. Nothing is impossible with you. We love you and support your walk daily on this earth.

Amen

ARMENIA

Dear Father,

We wrap our almost 3 million brothers and sisters in Armenia. The first country in the world to adopt Christianity and one of the safest countries in the world. With its 97% Christian population we thank you for the acknowledgement of you in this country. May you continue to be a light among your people there.

We pray guidance for its leadership as it works to reduce the poverty that impacts more than one of every four persons. May your feet touch the beautiful landscapes taking hope to those who seek you for a better life.

May your fullness be enveloped by many as they move their faith to that next level with you. Let this nation of peace and beauty be an example of what is possible on this earth through a God who is welcomed.

Amen

AUSTRALIA

Heavenly Father,

We rejoice with our 25.5 million brothers and sisters, your children that experience many wonders. Having its island of Tasmania enjoy the cleanest air in the world, housing the largest eco-system in the world, largest sand island in the world and the longest straight section of train track in the world.

This nation that is one of the richest countries in the world also has its challenges where 1 of every 7 live below poverty level. This is over 3 million precious lives. God, we know that your heart cares for even one of these so the cries of 3 million ring out loud.

Bless and guide its leaders as they set a goal to keep reducing the numbers at poverty level. Let there be such a desire for greater equity among its people.

Touch the heart of those who have to give to those who need. Lessen the disparity between the powerful and the powerless so more will increasingly enjoy a comfortable living. You are a faithful God to your people.

Thank you, Father, for your daily love and grace.

Amen

AUSTRIA

Dear Father,

We join with our 9 million brothers and sisters in Austria, your children seeking love and guidance. All nations and peoples for your glory dear God.

We celebrate the specialties of this nation. Has one of the oldest national flags and the oldest zoo in the world. First country to invest and use the sewing machine. Rich in culture, music and architecture. Many of us came to know Austria through the famous Sound of Music movie. One of the wealthiest and safest countries in the world.

We pray for the hundreds of thousands who still experience extreme poverty and exclusion. Stir a desire for greater sharing and equality Father. Be with these precious children of yours. Be their provider and present help in troubled times. Remind them that they are all fully included in your Kingdom. What a joy knowing that you house all your children equally with the same love and care. Thank you for your amazing faithfulness.

Amen

AZERBAIJAN

Dear Father,

We wrap our 10 million brothers and sisters, your children with prayer.

We thank you for the moderate climate they experience year-round and all its beauty that you have created and for their generally safe dwelling. First Muslim nation to treat women as equals that supports the dominion you awarded to all your children in Genesis - male and female. We thank you for this freedom.

We pray for those at or below poverty level. Provide the agricultural means and support they need to sustain themselves. Be there provider in times of trouble and need. Wrap these your precious children with hope. We know you are a God of mercy, grace and love.

Amen

THE BAHAMAS

Dear Father,

We bring our almost 400,000 brothers and sisters to you, your children. Such a sought-after place for vacations. A country with some 700+ islands that has some of the clearest waters in the world along with so many more beautiful features such as its soft pink sands and tourist sites.

Thank you for the way you are restoring parts of this nation from back-to-back disasters. As devastating as it all was and is, the people hold on to their faith and are there to support each other. Please give them the emotional and financial support needed to heal and regroup - a place where many desire to return for their next vacation. I am grateful to have first-handedly experienced the love, warmth, support and deep faith of so many in this nation during these past 24 years.

Not even one issue or moment of unpleasantness have I experienced. Truly a blessing. It has made and still makes my work and ministry there a joy.

We love you dear God and know that you remain in control. We look to you.

Amen

BAHRAIN

Dear Father,

We ask your wrapping around our 1.7 million brothers and sisters, your children. We celebrate its wellness and wonders such as being the first Middle East country to have the Grand Prix and houses the world's largest underwater theme park.

I could not help but reflect on its 400-year-old 'Tree of Life' in the desert. No visible water but it stands in its full greenery. Many tried explaining this mystery. Maybe its 50 meters deep roots do touch some source of water. Maybe it extracts water from its surrounding sands. Maybe it has an unknown early blessing from being in the Garden of Eden location.

Whatever it is, it tells of your wonderful creation. Where my reflection took me is the beauty of knowing that our lives even through the years of desert experiences remain fully watered and full of life because of the ever-living waters that flow from God who stands solid beneath our roots.

Cover the many poor ones in this nation who look to you daily for their bread and water. We know you hear their cries and feel their hearts. Touch them with hope dear God. We have every confidence in you. You can go in them where we cannot.

Amen

BANGLADESH

Dear Heavenly Father,

We wrap with prayers our 164 million brothers and sisters, your multitude of children in this nation. So many yet each life stands special before you. Words fail to express the God you are in the midst of your people.

This nation too has its uniqueness housing longest female-led government and world's largest river delta with the second largest river in the world second after the Amazon along with having the longest uninterrupted sea beach in the world.

With one of the highest levels of poverty, it is refreshing to know this country is getting increasingly better economically. Let each see your face in the betterment of its conditions. May you get the glory of it all Father, for you are the one who stand majestically in spite of our circumstances. We praise and worship you.

Amen

BARBADOS

Dear God,

We bring our 287 thousand brothers and sisters, your children to you. A country with such beautiful beaches and places. It remains one of the most developed countries in the Eastern Caribbean region. The origin for a fruit many like for dietary purposes - the grapefruit. More examples of your remarkable creation.

We pray for those still in poverty in this nation. For guidance as leaders work toward higher levels of equity so that more can enjoy a comfortable living experience. Be their source of hope and strength. Remind them that you are a God who takes care of His children.

We continue to just love you dear Father. We rest only because of you. We don't need to try understanding everything - we can just trust you.

Amen

BELARUS

Dear Father,

We wrap our 9 million brothers and sisters, your children with love and care. They stand out for their potato production and high forestry. Be their light that shines brilliantly. May their hearts be illuminated just knowing they are not standing alone as a nation.

We thank you for their low poverty and unemployment rates even though they are one of the poorest countries in Europe. Keep them creative and innovative as they feed themselves. But we ask your guidance on all other issues that could threaten their wellness at this time.

You are ever faithful to your people. We just have to remind ourselves that if you be with us, nothing can come against us. We remain in the shelter of your arms and ever elevated by you, the wind beneath our wings.

Amen

BELGIUM

Precious Father,

Another 11.5 million of your children, our brothers and sisters. What a joy to join them in prayer knowing that your voice through us can never return void. Thanks for granting prayers uttered with and for you.

Another nation that showcases your creative beauty through its many medieval towns and stunning architecture. Houses NATO and EU where many important decisions are made that can impact so many lives. We ask your presence through the halls of these places that your power may reign mightily.

A nation that is among the richest in the world yet we pray for the many in poverty mainly the high level of single parents for varying reasons. May the decision making include this issue with solutions that decrease poverty through more well-paying jobs and other care solutions for these single parent families.

We rest in you knowing that you see all and know all. We also rest in the fact that ultimately the entire earth is yours.

We rejoice Father just knowing that all that is yours must return to you.

Amen

BELIZE

Dearest Father,

Bless your 397 thousand children, our brothers and sisters. A nation of pristine jungles, rainforests, rich marine life and the only jaguar reserve in the world.

We pray for the many poor ones there and the efforts of leadership to find answers by working with multiple international organizations. Give them the innovative solutions needed to alleviate the poverty there. Your guidance is flawless.

God, we know that your creation stretches across the entire world. We see your Hand in the smallest to largest country. Let there be equity through astute use of and focus on the wealthy resources that reside in each country.

What a God you are in our lowest and highest places. Your presence escapes none of it. We look and you are there. Thank you, lovely and precious Father.

Amen

BENIN

Dear Father,

We bring this nation before you - 12 million of our brothers and sisters, your children. Wrap them with your blanket of love and protection. Another nation with rarities. A place where voodoo originated and where snakes are revered. First African country to transition from dictatorship to democracy. Houses one of the youngest populations in the world.

We thank you for their services and construction sectors that have recently caused strong economic growth for its people. But it remains one of the poorest nations. We ask for provision for them. We pray for a reprieve from droughts that affect the agricultural potential. We pray for opportunities to increase the literacy rate among this people that is as high as 50% at times. Give them hope when all else fails.

We just praise and thank you. You are a good God. You stand tall among your people. You remain their wellness and their improvements. We trust them in your care. They are your precious people.

Amen

BHUTAN

Loving Father,

We bring our 771, 000 brothers and sisters, your children to you today. As we walk through these countries in prayer, we find such amazing peculiarities in each.

No use of plastic or is smoking allowed in any public place. Has the highest unclimbed peak in the world. It is illegal to kill anything in this nation so their meats are imported with plan to end meat eating eventually. This nation is the only carbon negative in the world. Their emphasis is on happiness over economy. Isolated from the world until 1970 with no television until 1999 in fear of negative influence.

Huge decrease in poverty rate from 36% to 12%. We still lift others to you for reprieve from a lack of daily essentials. We pray for opportunities for more education and jobs.

You are amazing God and we see your magnitude as we visit each country. What a God we serve. How can we ever need while in you? We cannot.

Amen

BOLIVIA

Dear Father,

We bring our 11.5 million sisters and brothers, your children before you today. We ask your covering for your people. They too have their specialties. Houses the world's highest forest and one of the world's deepest lakes. Has one of the world's most dangerous roads.

We pray for those experiencing low poverty levels. We pray for opportunities in the area of human development and increased education opportunities for all. Please provide assistance from within and outside of this nation. We know that you have faithful ones in this nation dear God. We join their voices as they call upon you. Be their sheltering arms.

We praise and exalt your majestic name. May all come to know and experience your goodness.

Amen

BOSNIA & HERZEGOVINA

Dear God,

We bring your 3.3 million children, our brothers and sisters before you. A nation that has many beautiful lakes, rivers and waterfalls. First city in Europe with a full-time electric tram. Land mines remain a serious concern after the civil war. We seek you about this.

Father while we rejoice with this nation for its reasonably high and steadily growing economy, we pray for the some 19% in poverty. Guide its leaders on how to increase equity to reduce the poverty level. Be the source of these many people. Provide when they do not think provision is possible. Let them give you the glory as they see your Hand in action. Let their praises be as sweet aroma to you.

Oh, dear God, you are a Father of such relief. You instill calm and peace in us during our worst times. Thank you for going in us where we cannot when hope seems distant.

We love you.

Amen

BOTSWANA

Dear God,

We bring our 2.3 million brothers and sisters, your children to you. A nation that houses the second largest gem quality diamonds. A country that houses the world's largest African elephants.

We thank you for their overall strong economy but pray for the patches of poverty areas. Provide these with the type of education that meets the precise needs of employers. In so doing, the unemployment rate can be lowered.

Oh God, learning about your nations is such a humbling experience. The vastness of your creation. The multitudes of your precious people scattered globally. So huge yet all fits into the palm of your Hand. Thank you for just being God ... our eternal Father.

Amen

BRAZIL

Dear Father,

We bring to you your 212 million people, our brothers and sisters. The largest country in South America. Has the second longest river in the world and the biggest carnival in the world. Known for its beautiful beaches, waterfalls and rainforest. Fifth largest country in the world.

We are grateful for the declining poverty in this nation over a few years but ask help for those who are still experiencing extreme poverty. Poverty level is beginning to rise again. We ask for higher equity in land distribution, for more education opportunities, for clean water and sanitary conditions. These are your people dear God. Hear their prayer. Heed their cries.

God, you are eternal. You are all we can ever desire for in you is all that we need for a full life. Be our provider in every way. The type of provision that reminds us you are our source.

Give us just what we need to be strong in mind, body and spirit so that we can serve you daily. Equip us with all we need for your glory and honor.

We adore you.

Amen

BRUNEI

Dear Father,

We join our 437, 000 brothers and sisters, your children in prayer. A nation with its own blessings. Stands out for its architect. It houses the world's largest floating village. World largest residential palace.

We thank you for their well-being as one of the richest nations in the world through its oil and gas industry. We do pray for the small percentage still experiencing poverty. That the wealth will trickle down to them as well. Bless them as they keep blessing their own and other countries that can be helped by their resources.

God you are one of equity and justice. You proved this by giving us all full access to the things of you. Things that the world cannot buy. Things that are of you which are priceless. Thank you for being our Father who constantly looks out for us. We love you

Amen

BULGARIA

Dear Father,

We pray for our 7 million brothers and sisters, your children. A special nation as well. Has the oldest gold treasure in the world. Is the oldest country in Europe. Known for the best yogurt in the world.

We pray for the poor and for improved economic conditions. It is one of the poorest countries in Europe. Some 65 per cent of the population is currently unable or barely able to cover their living expenses. This is due to the high level of indebtedness of state-owned companies in the energy sector and hospitals, poor infrastructure and the threat of population decline.

Father, we know you cover this nation too. You hear the cries of your faithful ones. Be their comforter. Remind them that you are a complete God and resides in us. You are our source of life. We lack nothing with you. Thank you for revealing yourself in a special way to this people.

Amen

BURKINA FASO

Dear God,

We bring before you, your 21 million children, our brothers and sisters. With its significant reserves of gold and as one of Africa's largest producers of cotton, this nation still deals with economic crises. We pray for peace amidst any unrest so that the leaders can focus on growth and development for its people.

We pray for its some 40% of people experiencing poverty. Enrich their soil Father for strong and sustainable provision. Be their guide as they review internally and externally what can be done to alleviate the conditions. Provide the human development they need and the increased opportunities that add a variety of earning avenues.

We lift your name high throughout this nation. Be the resounding presence they need for prosperity.

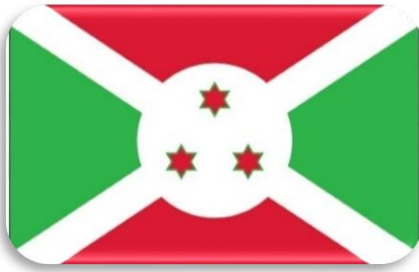

Be their source and resource. Remind them that all is possible with and through you.

We join them in praising you for your steadiness and goodness.

Amen

BURUNDI

Dear Father,

We wrap with love and hope our 12 million brothers and sisters, your children. A country with fantastic natural beauty. Houses many national parks with lots of wildlife.

Please reveal yourself to this nation - one of the poorer in the world. With some 60% malnourished. We pray for resources needed for financial sustainability. Touch the hearts of those internally and externally who could reach into this nation with the help needed. Keep all eyes and hearts focused on you.

Father, we rejoice because you are a God of impossibilities. We are encouraged just knowing that you are our provider. We are complete in you. Thank you.

Amen

CABO VERDE

Heavenly Father,

We pray for our 556, 000 brothers and sisters, your children. A nation with one of Africa's most stable governments and highest standards of living in West Africa. Beautiful beaches and great for water sports. Loved by tourists. Peaceful living conditions.

We pray for about one third of the population experiencing poverty. Protect this nation from droughts and touch the soil that could provide for many through its agricultural potential.

God you can wet the driest land. You brought creation into being. We honor your creative powers. We trust you for our wellness. We believe that you are there when all else fails. You are a God of such amazing hope when all else seems impossible. You make a way when there seems to be no other way.

Amen

CAMBODIA

Precious Father,

We bring our 17 million brothers and sisters, your children to you today. The rich heritage and culture of this nation. Largest religious monuments in the world. One of the youngest populations in Southeast Asia. A place where birthdays not celebrated - many do not even know their birth dates. Houses some 98% Buddhists. Has the only river in the world that flows both ways seasonally. Only flag in the world with a building.

We pray for its 18% in poverty. For employment, more education opportunities and reduction in corruption. Reveal yourself to this people in a special way. Let them see the vastness of your love in a personal way. May their provision be a testimony of your love and care for them.

God, you reign supremely. You are present anyhow whether or not we acknowledge this.

Let your hand of relationship be the catalyst that draws this people to you. Show them the joy of knowing you as their personal friend.

We rest in your unconditional love for your children globally - your heart's desire for all to return to you.

Amen

CAMEROON

Precious Father,

We bring your 27 million children before you - our brothers and sisters. A nation known for its beautiful beaches, wildlife and teas. The wettest country in the world due to high rainfalls.

We pray for about 30% of its people living in poverty caused mainly by poor infrastructure and education to keep up with the labor needs. We pray for a settling to conflicts as well.

God wrap this nation with your blanketed care. Touch hearts and minds with your love and togetherness. Help them to see the many benefits of working and living as one. Close the gaps of separation. Cause hearts to join for peace and prosperity. We trust you for you can do what no one else can do.

Amen

CANADA

Precious Father,

We pray for our 38 million brothers and sisters, your children. A nation with natural resources, such as gold, zinc, copper, and nickel, which are used extensively around the world. Beautiful scenery and lakes and its Niagara Falls. Produces 80% of the world's maple syrup.

We celebrate the wealth of this country based on its strong and diversified economy. Its oil business with many large oil companies. We also pray for its 11% in poverty. Guide its leaders as they focus on its wealth distribution so that more can enjoy a proper standard of living. May this nation continue sharing its wealth and wonders with many.

You are such a God of beauty and abundance. May this abundance be felt daily as we also focus on your wealth - the things that the human hands cannot touch. Wealth that is secured in and through you.

The peace, love, hope, joy that you add to our daily journeys. What a privilege to know you and to be a part of your royal inheritance.

Thank you, dear Father.

Amen

CENTRAL AFRICAN REPUBLICAN

Dear Papa God,

We bring our 5 million brothers and sisters, your children to you. A nation blessed with rich mineral resources and great agricultural potential. Its beautiful nature, waterfalls, rare wooden houses.

We pray for the 79% of its population living in poverty caused by religious rivalries and political ideologies. Let there be a settling down God. Let the leaders find the peace needed to move forward this great nation for you. God, may your being be rooted in this country bringing calm, rest, fresh assurance, healing, restoration and revitalization.

God you are such a God of peace. We are made in your full image therefore we possess your peace. Touch our minds and hearts so that we desire to dwell in the harmony you desire for us.

You made us to love and serve each other. Let us focus, let us desire, let us work toward all that maximizes your nature in and through us.

We thank you for choosing to give us your complete DNA by creating us in your full image.

Amen

CHAD

Dear God,

Thank you for our 16 million brothers and sisters, your children. Known as the babel tower of the world with its extreme diversity and some 200 languages. Rich in gold and uranium.

We pray for the 63% living in poverty. We pray for solutions to the lack of modern medicine, dramatic weather changes and limited education. Recently engaged in oil exportation - please guide its leaders to use this opportunity to raise the standard of living across the country. Please open doors for this people. Wrap them with your love and hope. Remind them you are their ultimate source.

We thank you for your walk in the midst of us dear God. Your feet give hope as we know you can turn mountains into mole hills. You can transform a nation at their request.

You are a precious Father who will not give us stone when we ask for bread. Thank you for caring for us.

We love you.

Amen

CHILE

Dear Father,

We pray for our 19 million brothers and sisters, your children. We celebrate its many world wonders: the narrowest country, biggest copper producer in the world, oldest mummies in the world, has one of the longest treks in the world, only country in the world where water is private, 2nd biggest consumer of bread in the world, tallest building in South America, houses largest swimming pool in the world, has the highest volcano in the world.

We thank you for the overall good economic status of this country. We also pray for those experiencing poverty due to the lack of education opportunities and other reasons. Please be with this people as you bless and guide so that all may enjoy your provision.

God you are so amazing. Just so precious when we shift our eyes from all that is around us to your faithful face. We find all of our answers there. Thank you.

Amen

CHINA

Dear Father,

We pray for our 1.4 billion brothers and sisters, your children. Your largest nation in the world. Toilet paper and tea discovered in this country. One of the richest countries in the world. Known for its many natural beauties - landscapes, oceans, mountains.

We are grateful for the measures taken in this nation to alleviate poverty for millions. We continue praying for those still subjected to poverty. A smaller percentage but many lives due to the population's size. Thank you for their provision.

God make yourself more visible to this nation. May they thank you as their source of wellness May they enjoy the priceless spiritual wealth that comes from a relationship with you. We praise you for you remain the true giant in the midst of us. You are a God who stand as a tower of hope among the billions.

Amen

COLOMBIA

Dearest Father,

We pray for our 50 million brothers and sisters, your children. A nation known for its deserts, rainforests, mountains, landscapes and rich heritage. Its distinctively beautiful orchids.

We pray for the 30% of people who are experiencing poverty mostly because of unequal distribution of wealth and welfare resources. We pray for a desire in leadership to ensure a more equitable distribution of its wealth. You give wisdom Father.

God you are a healer of peoples and nations. Because of you, we are able to hope. Thank you for being there constantly with your reassuring presence. We love you and rest our prayers with you.

Amen

COMOROS

Dear God,

Today we pray for our 869,000 sisters and brothers, your children. A country formed by four volcano islands. Another nation with great scenic beauty. Known as the ‘perfumed islands’ because of the beautiful special fragrance of its plants that can be used to create perfumes. Your beautiful creation God.

We pray for this nation. About 50% of its people experience poverty. God, we pray for doors to open to relieve this people of their situations. Help the leaders to find innovative solutions and strong world partners who can ponder over long-term answers.

Meanwhile be their comfort. Your warmth can be the blanket they need. You can miraculously fill their stomachs in unimaginable ways. I have seen you create food when there was no food.

Oh God, where would we be without you? You have all the answers if we can only take the time to listen. We have watched your hands perform miracles. You can do it again and again.

May our faith see what we never thought we could see. We thank you for being who we need during our worst times.

Amen

CONGO – DEMOCRATIC REPUBLIC OF THE

Precious Father,

We pray for our 90 million brothers and sisters, your children. A nation rich in natural resources including vast deposits of industrial diamonds, cobalt, and copper; one of the largest forest reserves in Africa; and about half of the hydroelectric potential of the continent. Deepest river in the world and 2nd largest rainforest in the world.

Second largest country in Africa speaking some 250 languages.

We pray for the 50% at poverty level and another 30% bordering poverty due to lack of economic opportunities, political conflicts and high rates in malnutrition, illnesses and poor education. May there be stability from wars and political upheavals. Guide this nation on how to maximize its rich natural resources and to keep increasing international relationships.

You are so grand God. Your vast love covers multitudes.
May your arms reach around this nation with your
tranquility. Show them how they can find wellness
through peace and calm. Cause there to be such a sweep
of your gentle nature throughout this landscape as each
feels your calmness, your presence, your restoration.

We hoist you high above all other.

Amen

COSTA RICA

Dear Father,

We pray for your 5 million children, our brothers and sisters. A nation known for its incredible national parks, cascading waterfalls and wildlife. Another part of your creation filled with natural beauty.

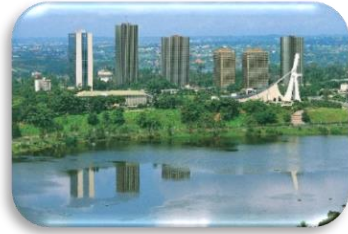

We pray for those exposed to poverty due to inequality and high unemployment. We pray for guidance on the use of all resources for wellness across the board. May the leaders tap into rich resources such as its vast agricultural lands and its untapped bauxite resource.

Dear God as we travel in prayer, we do not see a lack your natural beauty anywhere. It is so universal and consistent. What we find is the inequity caused by the human mind not yours. But we rejoice that the heavenly wealth available to all is the most equitable. A wealth that cannot be taken. Thank you, precious Father.

Amen

COTE D'IVOIRE

Dear Father,

We pray for our 26 million brothers and sisters, your children. Its beautiful beaches and rainforests. Leading cocoa producer in the world. Its rich cultural diversity. Houses the largest basilica in the world.

We are thankful for their economic status. The world's top exporter of cocoa and raw cashew nuts, a net exporter of oil, and with a significant manufacturing sector. This nation remains the largest economy in the West African Economic and Monetary Union. But we also pray for the 40% of its people still dealing with poverty. We seek guidance for and awareness of its leaders to the needs of these many persons who can use help.

Bless this nation with financial creativity and more equal distribution of its wealth. You are an astute God. Your guidance is flawless.

Thank you for quickening our awareness to the things of you that can bless our nations. In you we find strength and security.

Thank you.

Amen

CROATIA

Sweet Heavenly Father,

We pray for your 4 million children, our brothers and sisters. A nation with beautiful scenery, islands and waterfalls. A nation with an interesting little story: the necktie that originated at the cravat, which is a French mispronounce of the word Croat. French soldiers first spotted Croatian mercenaries wearing them during the seventeenth century. When they brought the tradition back to France, they attempted to name them after their originators but didn't quite get the name right.

Although a low poverty rate, we still pray for those here whose voices also seek your provision. The poor that you love so much. Lower youth unemployment rates. Better healthcare and more development in more regions. Thank you for guiding the leaders as they keep working toward an overall better economy.

Oh, dear Father, you are truly a God of wonders. You have not failed in blessing any part of your earth. Each piece is adorned with your sweet creation.

Thank you. We praise you and declare you are a loving and faithful God unendingly.

Amen

CUBA

Dear Father,

We pray for our 11 million brothers and sisters, your children. A nation with beautiful scenery, historic sites, waterfalls, beaches and architecture.

We celebrate this country's economic rise in 2022. We still pray for those in poverty as this nation continues to enjoy consistent improvements economically. Be their place of hope. You bless them with opportunities to earn and enjoy a better life. Hear their pleas.

We pray for political rest and the freedom you desire for your children. Touch the hearts of leaders who feel the need to transform this nation to one where its people are glad to remain and dwell peacefully.

God, you make roads where we cannot see ahead of us. We trust your Hand that is the perfect compass in guiding us forward. You are all we can ever wish for and more. Thank you for providing your strength when it is needed.

Amen

CYPRUS

Dear God,

We pray for our 1.2 million brothers and sisters, your children. A nation known for its abundant beaches that are some of the best worldwide. Known for having more cats than human beings. Haloumi cheese originated here.

We pray for about 22% of the people who deal with poverty especially the elderly, single mothers and immigrants. Please open fresh doors for each one. Do your work as no other can. We rest them in your hands.

You are a Father in whom we can trust daily. You are Lord above all. You remain the wind beneath our wings. We are buoyed up daily by you.

Thank you, Father.

Amen

CZECH REPUBLIC

Dear Father,

We pray for our 11 million brothers and sisters, your children. A nation known for its rich history, Gothic cathedrals, medieval squares, incredible bridges, cobblestoned alleys, abundant art scene, and great culinary talents.

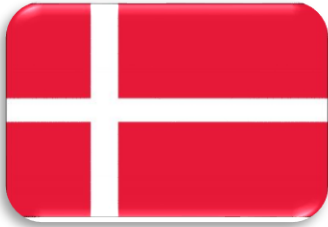

Please bless the 10% experiencing poverty due to environmental factors and societal differences. We pray for a reduction in the high political corruption rate in this nation.

God you are peaceful and not one of corruption. We pray for this peace for all nations. May your people take on your heart of love and calm. May unity preside over all. We ask for deeper knowledge of you that can cause such a fresh awakening to the things of you that make life so much more beautiful.

Amen

DENMARK

Dear Heavenly Father,

We thank you for your 6 million children, our brothers and sisters. A nation known for its high-quality designs and architecture. Highest producer of oil and natural gas in Europe. Pretty coastal towns, sandy beaches and idyllic islands, strung together by giant bridges, have equal appeal. Houses the oldest Royalty in the world. Rated multiple times as the happiest country in the world due to social equality and community.

Agriculture, tourism, transportation and energy boost its economy. Low poverty rates due to wide access to welfare. We pray for the 0.1% still homeless. That the strong efforts of this country will continue to create more happiness and wealth for the poor.

We thank you Father for the strengths of this nation. Continue to be present as their daily happiness becomes joy from you that no one can remove.

May our inner joy remain no matter what is happening around us. We praise you and thank you for all that you are and for all that you have given to us.

Amen

DJIBOUTI

Dear Father,

We pray for our 988,000 brothers and sisters, your children. This nation known for landscapes and marine life. Third lowest point below sea level in the world. Known for its fascinating diving, rich marine life including whale sharks and charming wildlife sanctuary.

Economically known as the Pearl of the Gulf of Tadjoura due to its location, Djibouti is strategically positioned near the world's busiest shipping lanes and acts as a refueling and transshipment center. The Port of Djibouti is the principal maritime port for imports to and exports from neighboring Ethiopia.

We pray for 23% of its population living in extreme poverty due to unprofitable farming means. This nation relies on import for 90% of their food. Exposed to variable international market prices.

This import dependence coupled with insufficient rains, long droughts and high unemployment rates put many farmers at risk of extreme poverty.

Father, please guide its leadership on how to utilize its rich resources to offset some of its high import. Please open doors for rich exchanges that can provide jobs and other resources for those in need.

We trust you for you are our faithful God.

Amen

DOMINICA

Heavenly Father,

We pray for our 78,000 brothers and sisters, your children. A nation known for its unusual black sand beaches and for hiking. Loved for its peace, nature and fresh air.

We pray for about 30% of its people experiencing poverty because of weather that affects its agriculture, major health concerns, work opportunities decreasing, declining exports. May your provision meet their needs, Father. Opening new local and foreign doors to rescue the situations there.

God you are ever present among your people. Let us enjoy this deep connection of hope, love, peace and joy. When all else fails, we can count on the wealth you give that is never failing.

Thank you.

Amen

DOMINICAN REPUBLIC

Dear Father,

We pray for your 11 million children, our brothers and sisters. A nation known for its blue beaches, beautiful tropical landscapes and friendly people. First hospital, capital city and catholic cathedral in the Americas. Where Christopher Columbus landed.

We pray for the 40% experiencing poverty and the issues of violence at against women and Haitians, degradation of the economy, unequal education opportunities. High unemployment especially among women. We trust for a reprieve from these things so that your people can enjoy a better quality of life.

You are our trusted God. You see where we don't. You know all. We ask for your sovereign intervention for this nation. Cover them with your precious love and heal all that is not of you. We rest for we know you can do what we cannot.

Amen

ECUADOR

Dear Father,

We pray for your 18 million children, our brothers and sisters. Known for their Panama hats since 1835. Houses Yasuni that is considered the most biodiverse places on earth. Yasuni also holds many world records including 3 world records for woody plant species and 4 for documented liana and tree richness. It sits on top of a large amount of oil, seven billion dollars' worth! This is causing controversy. Ecuador holds world record for the humming bird species - some 132 types.

A country that is one of the major exporters of petroleum and an increasingly important tourist destination. Its history has been marked by political and economic challenges, including long periods of military rule, boom-and-bust economic cycles, and inequitable distributions of wealth. Largest exporter of bananas and 3rd largest for cut flowers.

We pray for the some 33% experiencing poverty due to lack of education and employment. Plus, ongoing corruption and inequalities. We pray for peace and equality as the rich resources of this country reach the hands of the poor. We seek guidance for its leaders.

God, you stand tall in each of your nations. We trust in this height to return all peoples to you. A return to you that results in calm and restoration.

We trust in you.

Amen

EGYPT

Heavenly Father,

We pray for our 102 million brothers and sisters., your children. A country known for creating the first 365-day calendar. Oldest dress found there. Houses one of the world's oldest dams. Egypt may be known for ancient treasures and rich history. There is so much more to this nation than one might expect. Surreal waters and golden sand beaches and remarkable architecture and natural therapies.

Its most important exports include petroleum and petroleum products followed by raw cotton, cotton yarn, and textiles. Raw materials, mineral and chemical products, and capital goods are also exported. Among agricultural exports are rice, onions, garlic, and citrus fruit.

We pray for about 27% experiencing poverty due to inadequate education, inequality and lack of employment

opportunities. May doors open for many more to enjoy life's wellness.

Father you are huge and enough to care for the people of this nation. Continue to guide this leadership in the direction you desire for your people. You remain God who is ever present in the midst of us.

Amen

EL SALVADOR

Dear God,

We pray for our 6 million brothers and sisters, your children. A country known as a surfing paradise. Its coffee beans are world famous. Its capital city being the oldest in Central America.

We pray for a reprieve from gangs and violence. Calm for this nation that God intended. Also, safety from the many volcanos. We pray for the more than 20% exposed to poverty because of limited education, lack of access to safe water and sanitation along with crime and violence. We trust for the projected growth estimated for this nation.

God, you see all and know all. You are also the one who can cause there to be peace, wellness and joy even when we don't think it is possible.

We ask for your covering on this nation. May it rise up to all you desire for your people as they become a great example of your transformation and restoration.

We thank you.

Amen

EQUATORIAL GUINEA

Dear Father,

We pray for your 1.4 million children, our brothers and sisters. A nation considered to be one of Africa's richest countries. A home to huge minerals and oil reserves. The massive deposits of oil discovered off the coast of Equatorial Guinea. Since then, billions of dollars have been generated from the production and sale of crude oil. Also has incredible biodiversity and beaches.

We pray for the 70% experiencing poverty and some 40% in extreme poverty. Thank you for guiding leadership on how to astutely use all that God has blessed them with to alleviate the poverty. To bring the country into higher equality where all can prosper and grow this nation together.

We thank you for your amazing global diversity, Father. The language, culture, food, music, arts and so many other fascinating creations that make us so unique yet one as your children. You remain God at all times.

Amen

ERITREA

Father dear,

We pray for our 3.6 million brothers and sisters, your children. A small unknown country in East Africa, is located at the banks of the Red Sea. Has one of the best colonial architectural structures in the world.

A nation exposed to numerous challenges such as drought, famines and recurrent war. As a result, poverty has become more rampant in a country where over 66% of its people live below poverty level. Poverty due to hunger, education, agriculture and the overall economy.

God, you see even those who appear invisible. This country may be unnoticed but it is yours too. Guide and bless and reveal yourself to these people in a special way. May your height and strong presence be felt by each. Be their refuge in times of need and remind them of your faithfulness always.

Amen

ESTONIA

Heavenly Father,

We pray for our 1.3 million brothers and sisters, your children. Known for its dense woods, historic centers and delightfully unique history that spans a millennium. The country is rated best in the world for both unrestricted access to online services. First country in the world to allow its citizens to vote online.

The services sector in Estonia is the largest industry in terms of its economic contribution. It mainly consists of transportation, telecommunications, and banking sub-sectors. The transportation sector comprises of favorable infrastructure that has resulted in improved trading operations in Estonia.

We are grateful for its low poverty rate of 2.2% but pray that the threat to move this rate to 20% can be avoided.

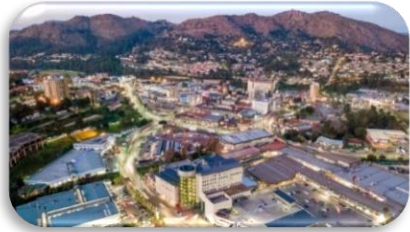

God your beauty is massive as we walk your globe.
Thank you for your wisdom and love that keep us
grounded daily. May more nations enjoy these low
poverty rates and be astute enough to keep down these
rates.

We thank you.

Amen

ESWATINI

Dearest Father,

We pray for our 1.2 million brothers and sisters, your children. A lush, mountainous and scenically beautiful country with emerald peaks, rivers, ravines, rolling valleys, and waterfalls.

We pray for about 60% experiencing poverty due to unemployment, heavy dependence on agriculture that is threatened by unpredictable weather, HIV/AIDS and high rates of inequality. All these factors challenge economic independence.

We trust you Father for the wellness of your people. You see and know all. Please work in a way that will free your children from all challenges that impede their growth and furtherance.

Amen

ETHIOPIA

Thank you, God,

We pray for our 115 million sisters and brothers, your children. A country known for being the place where the coffee bean originated. Also, the top honey and coffee producer in Africa and has the largest livestock population in Africa. Houses the hottest place on the earth. Houses first black to win gold at the Olympics. Never colonized.

Economically, agriculture constitutes over 50% of economic sector in this nation, and the largest dependable economic activity. It includes production of livestock products (milk, egg, meat), beverages, leather and textiles.

While the poverty rate has been declining for years, we pray for economic challenges due to civil rights issues and Covid. We seek help for those exposed to poverty.

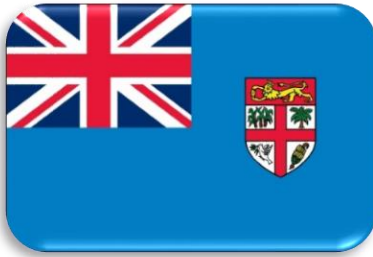

You are a God on whom we can depend always. You are Master of your universe. We praise and exalt you. You walk tall among your nations.

Your face is evident in all we see daily through your wonderful creation.

Amen

FIJI

Dearest Father,

We pray for our 911,000 brothers and sisters, your children. Known as the soft coral capital of the world by legendary undersea explorer and conservationist Jacques Cousteau, Fiji is brimming with dazzling diving and snorkeling sites. Many go underwater to explore shallow lagoons along with marine life.

This nation has a relatively diverse and sophisticated economy. Traditionally, key services exports from Fiji have included travel, accommodation and education. Pre-COVID-19, tourism represented 38.9 per cent of GDP and 35.5 per cent of total employment.

We pray for about 24% of its people exposed to poverty because of its political instability and corruption. There is also the lack of education and inequality leading to workers lacking skills and resources.

Father, we thank you for your clarity as clear as the beautiful waters of Fiji. Guide this leadership as they address what is needed to take care of all its people. Show them how to maximize on its beauty and resources.

We are ever grateful for your mighty workings in our lives.

Amen

FINLAND

Dear Father,

We pray for your 6 million children, our brothers and sisters. Known as the world's biggest coffee drinkers. Also, for its 2 million saunas and most metal bands in the world per capita. Rated by UN as the happiest country in the world. Loved for its natural beauty, landscapes and many beautiful lakes.

This country is one of the most technologically-advanced and prosperous countries in the world. Its economy is based primarily on private ownership and free enterprise; in some sectors, however, the government exercises a monopoly or a leading role. After World War II, Finland was not fully industrialized, and a large portion of the population was still engaged in agriculture, mining, and forestry.

We pray for its 10% exposed to poverty. For guidance as its leaders stretch its many blessings to ensure all can enjoy a comfortable standard of living.

God, we rejoice with this nation on its many blessings. May your presence also add lasting joy to their happiness that only you can give. May they embrace other nations by sharing its success and lending guidance.

You are an awesome God. Thank you.

Amen

FRANCE

Dear Father,

We pray for our 65 million brothers and sisters, your children. Most visited country in the world. Largest art museum in the world. Most expensive wines in the world. By law no supermarket can throw away foods – they must give to the poor before the expiration dates. Also, retailers must give unsold clothes to the poor.

This country has a strong economy with tourism being its leading income source. Also strong in manufacturing and pharmaceuticals. One of the wealthiest countries in the world. We pray for about 14% exposed to poverty because of unemployment and other reasons. We ask for wisdom and guidance for its leadership to revisit how its wealth can cover the lack experienced by the poor.

God thank you for your abundance that we see in nations. The abundance you desire for all your people.

The abundance that is balanced with natural and spiritual wealth that makes us whole people. We rest in you knowing you have us covered throughout your world.

Amen

GABON

Dear Father,

We pray for your 2 million children, our brothers and sisters. A country that is about 90% forest. Its rainforest is inhabited by antelope, monkeys, gorillas, numerous tropical birds, and several varieties of elephants. Gabon has several national parks. One of the 13 countries in the world where the equator passes through. Houses 80% of Africa's gorilla population. Has beautiful sandy beaches.

Fifth largest oil producer in Africa. However, the declining oil reserves and prices are one reason why Gabon is poor. Heavy dependency on the oil industry has led to a less diversified economy.

We pray for the many immigrant workers and locals who live in absolute poverty in the slums of Libreville that is the nation's capital and largest city.

You are a kind and merciful God. Your grace is boundless. We seek your love and protection for your people in this nation. Give them the creativity needed to diversify on the strength of their natural resources so that they can help each other live a comfortable life. Reveal yourself to them in a special way.

Amen

GAMBIA

Precious Heavenly Father,

We pray for our 2 million brothers and sisters, your children. A country known for its wildlife and national parks. In particular, Gambia is famous for being a birdwatcher's paradise. There are over 500 species of birds that can be seen in the country

Heavily dependent on agriculture. Its main exports are Brazilian nuts, gold, cashews, coconuts, frozen fish, wood and large construction vehicles. Poverty at about 12% is caused mainly by lack of economic diversity. Over half of all Gambians depend on agriculture to bring money and food to the table, but harsh weather conditions leave their farming fates unpredictable. Also unemployed or underemployed young people in rural areas and high rates of migration.

Father, we thank you for your love and grace. For wrapping this nation with your care and creativity.

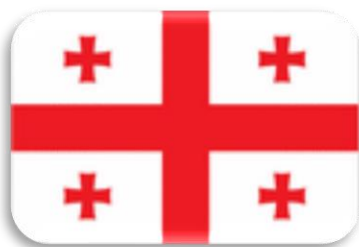

Bless them with the solutions they need for wellness.
Touch hearts and minds internally and externally to help
these people. Make a way where it seems impossible.

We love you and trust you always.

Amen

GEORGIA

Dear Father,

We pray for our 4 million brothers and sisters, your children. A country that sits at a strategic crossroads between Europe and Asia. Black Sea beaches and the soaring Caucasus Mountain Range are just some of the country's natural charms. Europe's oldest city. Birthplace of wine - far back as 8000 years ago, Georgians are said to have started producing wine, but in their own special way. Its language is unique - not spoken anywhere else in the world. One of the world's most ecologically diverse places.

Georgia's main economic activities include cultivation of agricultural products such as grapes, citrus fruits, and hazelnuts; mining of manganese, copper, and gold; and producing alcoholic and nonalcoholic beverages, metals, machinery, and chemicals in small-scale industries.

Georgia has overcome the chronic energy shortages and gas supply interruptions of the past by renovating hydropower plants.

It has also increased a reliance on natural gas import. We pray for about 21% exposed to poverty and for peace and solitons to political and human rights concerns.

We thank you dear Father for your diversity. We thank you for your ability to care for your people. Bless this nation with sustainability through its rich beauty and resources.

May their land feel your peace and calm as all efforts are made to unite and protect itself from anything that can cause disturbance.

We thank you.

Amen

GERMANY

Dear Father,

We pray for our 84 million brothers and sisters, your children. A beautiful country in Western Europe full of calming landscapes, forests, rivers and mountains. Your continued beautiful creation. One of the world's leading book nations publishing around 94,000 titles every year. The first magazine ever seen was launched in 1663 in Germany. Germany was the first country in the world to adopt Daylight saving. Houses world's largest Cathedral. Also, one the countries with the most castles - some 20,000.

Has the world's 4th largest economy. Highly innovative and has a strong focus on exports. Germany is the largest economy in the European Union. However, it is said to be on the brink of a recession. High energy prices and the threat of gas shortages are weighing on the economy.

Companies are expecting significantly worse business activity in the coming months. We pray for about 17% of its people exposed to poverty.

God you are a tower of power and strength. We thank you for remaining present in this nation as you keep gathering your people to yourself. May they enjoy your heights that stands tall in the midst of them. Be their constant reminder that you are their source of life and wellness.

We trust in you.

Amen

GHANA

Dear Heavenly Father,

We pray for our 31 million brothers, your children. Known for its gold in colonial times. Lush forests, diverse animal life, and miles of sandy beaches along a picturesque coast.

Ghana remains one of the world's top gold producers. Other exports such as cocoa, oil, timber, electricity, diamond, bauxite, and manganese are major sources of foreign exchange. Ghana is also celebrated for its rich history. Its habitation possibly dating from 10,000 BCE (before common era) and as a fascinating repository of cultural heritage

We thank you Ghana's economy that is expanding continuously in 2022 driven by growth in the fishing, manufacturing and education services sectors.

We pray for the 12% poverty exposed to poverty. Make a way for them.

Thank you, Father, for wrapping this nation with your love and wellness. Continue to guide them in all areas as they see your hand at work in the midst of them.

Draw them close to you so that their relationship with you will remain solid and special. We love you and adore you.

Amen

GREECE

Dear Father,

We pray for our 10 million brothers and sisters, your children. Famous for its amazing beaches and clear-blue waters. In addition, the perfect beauty of Cycladic architecture, incredible sunset spots, and warm summer.

We thank you for the extreme reduction in this nation's unemployment rate. Agriculture and tourism being its main income. Along with its wide range of herbs and spices, many with medicinal or extremely beneficial effects to our health while being fragrant and tasty in tea, food, and scenting of other ingredients (such as olive oil, or sugar!). We pray for its 29% still at risk of poverty. Increased taxes and pension cuts leave citizens with little to no disposable income.

We thank you for your faithfulness dear God. Your arms wrap the globe with your amazing creation. It's not possible to doubt your sweet presence.

Reveal yourself to this nation in a special way. May they ever declare your wonders through their life's elevation both financially and spiritually.

Thank you for being our loving God.

Amen

GRENADA

Dear Father,

We pray for our 113,000 brothers and sisters, your children. Known for its abundance of spices as well as its world-class cocoa, amazing beaches, majestic waterfalls, and world's first underwater sculpture park.

Its principal export crops are the spices nutmeg and spices (Grenada is the world's second largest producer of nutmeg after Indonesia). Other crops for export include cocoa, citrus fruits, bananas, cloves, and cinnamon. We pray for about 12% of its people exposed to poverty. That doors will open for them to enjoy a comfortable standard of living.

Father you are ever there as your people call on you. Your ears are forever open and your hands there to wrap us with all we need to feel sheltered, cared for and protected. Remind this nation that you are the core source of their provision. We thank and praise you.

Amen

GUATEMALA

Dear Father,

We pray for our 18 million brothers and sisters, your children. Considered a central American gem, this nation has cobbled streets and neoclassical architecture. Tallest volcano and deepest lake in Central America. It is also home to jungles and cloud forests, beautiful lakes, and wild stretches of coastline. Birthplace for chocolate. Known for some of the world's best coffee.

We pray for its 53% exposed to poverty. Many depend on farming inherited land as their sole source of income, contributing to cyclical poverty in Guatemala. As 65 percent of the land is controlled by 2.5 percent of farms, land is passed down through families and most consider farming one of their only options. Coffee, bananas and sugar are the largest industries in Guatemala.

Additionally, widespread procurement corruption, impunity, labor rights abuses, protection of intellectual

property, food insecurity, poor education and infrastructure, and deep socio-economic divisions continue to be challenges for the government.

God, we praise you for your infinite creation with its beauty stretching globally. How majestic are your works indeed! May this beautiful nation find solutions in its resources and guidance from its leadership that ends any and all corruption that can inhibit its growth and wellness.

We place our full trust in you.

Amen

GUINEA

Dear Heavenly Father,

We pray for your 13 million children, our brothers and sisters. A country known for the beautiful scenic views. Located in Benin's east, where all kinds of exotic plants and fauna are found. World's second largest bauxite producing nation. While Guinea is among the poorest nations in the world, it contains significant mineral deposits. The country is known to have one-quarter of the world's bauxite reserves, as well as more than 1.8 billion metric tons of high-quality iron ore.

Bauxite mining and alumina production provide about 80% of Guinea's foreign exchange. Diamonds and gold also are mined and exported on a large scale, providing additional foreign exchange. This nation lacks the infrastructure necessary to support advanced commercial activities, a lack of skilled workers and political uncertainty but conditions are improving.

We pray for about 55% of its people exposed to poverty.

Father thank you for the resources present in this nation. Provide all that is needed to fully utilize its wealth for prosperity. Reveal yourself in a special way that your people may see you present in their daily lives.

Your presence is all we need for daily joy and hope.

Amen

GUINEA-BISSAU

Dear Father,

We pray for our 2 million brothers and sisters, your children. A small country that is one of the top five cashew producers in the world. The smooth and delicious nut that can be eaten like candy is the cash crop in the country. A land bursting with rich cultural heritage, an economy centered around buttery cashews and sweet mangoes, and 90 beautiful islands run by one of the last remaining matriarchal tribes in the world.

This country that borders the Atlantic Ocean, is home to a massive network of almost 90 islands off its shores. These islands, called the Bissagos or Bijagos Islands, are run by a matriarchal society. On these islands, women are leaders in law, economy, spirituality, and marriage arrangements.

Head to the market and one will see women bartering and selling. Attend a meeting regarding legal proceedings in the village and one will see a woman determining the verdict.

Visit a spiritual ceremony and one will witness it being led by a priestess. Even when it comes to the home, women not only own their houses, but are responsible for constructing it as well

Increased competition for land and subsequent poor harvests have diminished both food supplies and rural livelihoods.

The economy has also suffered, as agriculture represents 90 percent of all exports. Approximately 85 percent of Bissau-Guineans rely on agriculture as their primary source of income. Also, fish and shrimp, raised for both domestic consumption and export, are also important. Guinea-Bissau is heavily forested, with forest cover on about three-fifths of its land. Most wood harvests are used for domestic fuel, but the country exports small amounts of sawn wood.

We pray for about 70% that are exposed to poverty.

Thank you, Father, for wrapping this small but resourceful country with your love and guidance. Open doors internally and externally that offer opportunities for strong and sustainable development. Strengthen each island.

We trust in you for you are our source.

Amen

GUYANA

Dear Precious Father,

I thank you for the land of my birth with our 787 thousand brothers and sisters, your children. I still recall standing at our Mass Games for an event at the National Park as we sang the song: ‘Hymn for Guyana’s Children’. Especially the line of the song: ‘We kneel before thine altar Lord, the children of Guyana’s soil.’ At that tender age of 12, I wondered what Guyana would be like if indeed we knelt before that altar daily for our country.

Guyana is home to a wide variety of landscapes and ecosystems – coastal plains in the north, mountains and highlands covered in rainforests, and savannah plateaus in the southern Rupununi region, running along the border with Brazil. Guyana is the only country in South America with English as its official language, even though Guyanese Creole is also commonly spoken, a mix of English with Caribbean dialects, Amerindian and East

Indian terms. Houses one of the world's longest and widest single drop waterfalls. Once housed the longest floating bridge and tallest wooden building in the world. Known as the land of many waters and 6 races. Very geographically and biologically diverse.

Oil production has the potential to transform profoundly Guyana's economy. Guyana's commercially recoverable petroleum reserves is expected to reach over 11 billion barrels, one of the highest levels per capita in the world. As the world's fastest-growing economy, it plans to use its newfound oil and gas wealth to fund investments in other sectors that will reduce its dependence on hydrocarbons.

We pray for the 48% still exposed to poverty.

Thank you, God, for blessing this nation with such beauty and so many resources. We pray that the poorest of poor will enjoy its phenomenal growth potential. Through its prosperity may all eyes and hearts look to you as its source of wellness. May the voices individually and collectively reach your ears with daily praise and thanksgiving.

May its oneness and unity please your heart.

Amen

HAITI

Dear Father,

We pray for our 11 million brothers and sisters, your children. A country with gorgeous scenery as Haiti is home to peaceful beautiful beaches, cascading waterfalls, and towering mountains galore. The most mountainous island in the Caribbean. There are white sand beaches, waterfalls, coconut trees, rivers, and beautiful landscapes. Also known for its rich folklore traditions. The island sits at the edge of a huge geological slab of rock just below the Earth's surface, called a tectonic plate; when the plate shifts, it can cause an earthquake.

Haiti is one of the most densely populated countries in the world, with 1,000 people for every square mile (or 380 people for every square kilometer). Much of the population lives in rural areas working as farmers or laborers, but city population numbers are increasing.

Haiti's capital, Port-au-Prince, is its most populous city, with nearly three million residents. Most of the Haitian population works in farming. Clothing factories also employ thousands of Haitians, mainly women, to manufacture products that are exported, or sent, around the world. Haiti's other major exports include coffee, mangoes, sugarcane, rice, corn, and wood. We pray for about 53% of its people exposed to poverty.

God, we lift this nation to you. It has experienced some tough times but still hopeful. We ask that you wrap your people with love and fresh reasons to be confident that things will get better. Keep their hearts close to yours. Cause them to trust you in ways like never before.

May you be their God in the most visible ways. We love and trust you for our brothers and sisters there.

Amen

HONDURAS

Dear Father,

We pray for our 10 million brothers and systems, your children. A country that has a 3,000-year-old Mayan culture and beautiful beaches. Honduras' tropical weather enriches its lush flora and fauna. It is mountainous and the only Central American country without active volcanoes.

Economically known for its rich natural resources, including minerals, coffee, tropical fruit, and sugar cane as well as for its growing textiles industry, which serves the international market. We pray for about 45% of its people exposed to poverty.

Thank you, Father, for your rippling beauty. May your presence in this nation surpass the height of its many mountains. May its people forever be lifted up to great heights in you and to your glory. We thank you for them and their creativity that is a sign of your gifts to them.

Amen

HUNGARY

Dear God,

We pray for our 10 million brothers and sisters, your children. With the operations beginning in 1896, Budapest has the second oldest underground railway in the world. Wine has been produced in Hungary since the 5th century A.D. In 1737, King Karoly named the Tokaj wine region a national wine area, making it the world's first official wine region. Hungarian physiologist, Albert Szent-Gyorgyi, in the 1930s discovered Vitamin-C. Rubik's Cube (game) invented by a Hungarian sculptor and professor of architecture in 1974, Erno Rubik. Second largest Synagogue in the world. Houses highest rated female chess player in the world titled at age 15.

Economically, Hungary's main exports are machinery and tea sport equipment, consumer goods, agricultural products, chemicals, apparel, textiles, iron and steel and wine. Trade with EU countries now comprises over 79 percent.

Germany is Hungary's the most important trading partner.
Very developed country.

We pray for about 12% exposed to poverty.

Thank you, dear God, for your amazing DNA that is evident within your people globally. May we forever be thankful for being made in your image. A God who would share Himself with no reservation with His children. Gracious are you.

We stand complete in you.

Amen

ICELAND

Dear Father,

We pray for your 376, 000 children, our brothers and sisters. This country is most famous for its rugged landscapes and scenery. The Northern Lights, Blue Lagoon, volcanoes, glaciers, and waterfalls top the list of beautiful places to see. Iceland is also famous for its history and being settled by the Vikings. It is known as “The Land of Fire and Ice” due to its contrasting landscapes. One of the first parliaments in the world and also one of the most sparsely populated countries in the world. One of the freest, safest and prosperous in the world.

Economically, very strong. It is the world's largest electricity producer per capita. The presence of abundant electrical power due to Iceland’s geothermal and hydroelectric energy sources has led to the growth of the manufacturing sector.

The pillars of the Icelandic economy are aluminum smelting, fishing and tourism. Iceland's main material exports are aluminum products and fish products, and main service exports are tourism-related services.

We pray for about 4.9% exposed to poverty.

Thank you, Father, for the high wellness level of this country. Continue to bless as you keep revealing yourself to this people. May they find your daily joy that surpasses all happiness. You are our eternal God in whom we find such purpose.

We praise and honor you.

Amen

INDIA

Dear Father,

We pray for our 1.4 billion brothers and sisters, your children. Has beautiful green crops that fills the land with lots of greenery. It also has many rivers flowing through fertile soil, a variety of flowers, plants and animals. The Himalayas decorates India like a majestic crown. Great landscapes and rich history.

Economically, India's economy is forecast to grow by 7% this year, making it the 5th largest in the world. The growth was driven by a fleet of structural reforms, among them: the privatization of parts of the economy, the introduction of a new 'goods and services tax' and the easing of restrictions of foreign investment.

We pray for the 18% exposed to poverty caused by poor agriculture, fast growing population, gap between rich and poor and some level of corruption.

Thank you, Father, for the upward growth of this nation. Bless and guide them with their efforts to ensure wellness for all their people. Listen to the voices of the many who seek you and desire a close relationship with you. May their intense worship give glory to your name.

You are an unmatched God. We praise you.

Amen

INDONESIA

Dear Father,

We pray for your 274,000 children, our brothers and sisters. Considered to be one of the most beautiful countries because every 100,000 square kilometers of its territory has natural beauty such as mountains, volcanos, coral reefs, tropical forests and glaciers. Java is an island at the center of Indonesia, and it is home to the capital city of Jakarta. It has a rich history, including some of the earliest human activity.

Economically, this country is a major exporter of crude petroleum and natural gas. In addition, Indonesia is one of the world's main suppliers of rubber, coffee, cocoa, and palm oil; it also produces a wide range of other commodities, such as sugar, tea, tobacco, copra, and spices (e.g., cloves).

We are thankful for the continuous reduction in poverty rates but pray for the 9.5% still exposed to poverty.

Thank you for your majesty that towers in and above your creation. You are so beautiful and this shows through all that you have created. Be with this people as you reveal yourself in a special way.

May your name be glorified among them.

Amen

IRAN

Dear Father,

We pray for our 34 million sisters and brothers, your children. A country with one of the oldest, richest and most influential art heritages in the world which encompasses many disciplines including literature, music, dance, architecture, painting, weaving, pottery, calligraphy, metalworking and stonemasonry.

Economically, this nation relies primarily on oil and gas exports - it currently holds about 10% of the world's oil reserves – but it also has significant agricultural, industrial and service sectors. We pray for about 30% of its people exposed to poverty.

Thank you, dear God, for guiding this nation as it utilizes its rich resources to ensure equity among its people. Wrap them with your love that reminds them of your majestic presence daily. Be the light that causes them to desire you in a deeper manner. Be their God as they be your people.

Amen

IRAQ

Dear Father,

We pray for our 41 million brothers and sisters, your children. A country in the Middle East that shares international borders with six countries

In existence since before 3200 BC and emerging from what is now Iraq, cuneiform script is the oldest form of writing in the world. The two major rivers that flow through Iraq are the Tigris and the Euphrates. These rivers make the land of Iraq very fertile, hence the country's name meaning 'well-watered'. Situated within the Tigris–Euphrates River system is a region known as Mesopotamia. This historical region is considered to be the oldest civilization in the world and dates from around 3300 BC to 750 BC.

Economically, Iraq's economy has shown some positive signs in recent months.

Oil and non-oil growth is projected to reach pre-pandemic levels, and the economy is forecasted to clock an average growth rate of 5.4 percent per year between 2022 and 2024. This economy is dominated by the oil sector which has provided about 99.7% of foreign exchange earnings during its modern history.

Living conditions in Iraq seem to be often strenuous and many people struggle with poverty, unemployment and malnutrition. We pray about the poverty rate among children that rose to 38%, while the poverty rate in Iraq reached 25 percent.

God, you rule and reign in this nation too. Through your guidance, all people can enjoy the rich resources available. We trust in you for your words are infallible.

Peace to your people as they wait on and trust in you.

Amen

IRELAND

Dear Father,

We pray for our 5 million brothers and sisters, your children. A country famous for its scenic coastlines, towns, and villages along the shoreline. It's natural beauty and manmade metropolises. The Emerald Isle has some of the world's most stunning natural beauty and bustling cities scattered across all four of its provinces.

Economically, Ireland is a highly developed knowledge economy, focused on services in high-tech, life sciences, financial services and agribusiness, including agrifood. It is an open economy and ranks first for high-value foreign direct investment. The main merchandise goods include organic chemicals, medical and pharmaceutical products and computers. The main service industries are pharmaceuticals, chemicals, computer hardware and software, food products, beverages and brewing, medical devices and computers.

As of today, without social welfare system almost four in every ten of the Irish population would have been living in poverty. However, welfare payments reduced the poverty rate by 27 percentage points to 11.6 per cent. We pray for those still exposed to poverty.

Thank you for your reigning beauty dear God. Your nations reflect your majesty. Be with this people as you continue guiding them. Wrap them with your confidence and your love. Draw them to you as they see their hope flowing from your presence in the midst of them.

Amen

ISRAEL

Precious Father,

We pray for our 7 million brothers and sisters, your children. A country that is home to some of the world's most holy sites, including the Western Wall, the Dome of the Rock and the Al Aqsa Mosque. Along the coastline, there are some of the prettiest Mediterranean beaches and in the North, the Galilee with thick forests and steep mountain ranges.

The country's major economic sectors are high-technology and industrial manufacturing. The Israeli diamond industry is one of the world's centers for diamond cutting and polishing, amounting to 23.2% of all exports. Tax rates in Israel are among the highest in the world, with income, value-added, customs and excise, land, and luxury taxes being the main sources of revenue.

We pray for the 27% exposed to poverty. Poverty rates are especially high among Haredi Jews, as a result of many Haredi men being voluntarily unemployed and opting for religious studies while relying on social assistance instead of working, as well as underemployment due to Haredi schools being exempt from the core curriculum.

We thank you dear God for your beauty is mesmerizing across the globe. Wrap this your people with continued knowledge and wisdom. Remind them that their daily work is your daily walk on this earth. Their work serves you as much as their worship.

We thank you for you are a loving God.

Amen

ITALY

Dear Father,

We thank you for your 60 million children, our brothers and sisters. A country that is home to many of Europe's most beautiful cities and iconic landmarks. From the historic center of Rome to the Leaning Tower of Pisa, many of these places are famous the world over. Further south are the rolling hills of Tuscany, studded with olive groves and vineyards. In the far south, and on Sardinia and Sicily, the landscape is rugged and mountainous. Soaring to a height of 11,000, Mount Etna on Sicily is Europe's tallest active volcano. Italy's most prestigious opera house in the world is Milan's Teatro Alla Scala, also known as La Scala.

Economically, it can be looked at as two separate sectors comprising a developed industrial north, dominated by private companies, and a less-developed, highly subsidized, agricultural south, with a legacy of

unemployment and underdevelopment. Its main imports are metal and engineering products, principally from Germany, France, the United States, and the United Kingdom. Chemicals, vehicle, and mineral imports are also important commodities. It is a major importer of energy, with much of its oil supply coming from North Africa and the Middle East. Main exports are packaged medicaments, cars, motor vehicle parts and accessories, reigned petroleum, vaccines, blood, antisera, toxins and culture. We pray for about 8% exposed to poverty.

Thank you, dear God, for your majestic beauty. It far surpasses anything we can even imagine. Be with your people. Reveal yourself to them in a special way. May they desire all that you are that can bring joy to them daily.

We thank and praise you.

Amen

JAMAICA

Dear God,

We pray for our 3 million brothers and sisters, your children. A country known to be the birthplace of reggae style music, some of the world's fastest sprinters. Its coffee, beautiful beaches and majestic waterfalls.

According to James Delbougo, a historian, Jamaicans were preparing "a hot beverage produced from shavings of newly harvested cacao (cocoa), boiled with milk and cinnamon" as early as 1494 hence referred to as the inventor of chocolate milk. Also known for finding cures for prostate cancer and glaucoma.

Economically, this country has natural resources and a climate conducive to agriculture and tourism. The discovery of bauxite in the 1940s and the subsequent establishment of the bauxite-alumina industry shifted Jamaica's economy from sugar, and bananas. Jamaica's main exports are alumina, bauxite, sugar, rum, coffee, yams, beverages, chemicals and mineral fuels.

Main export partners are US, Canada, the United Kingdom and the Netherlands.

The perseverance of the Jamaican citizens and the government has led to a historic turnaround for the nation's economy post-pandemic. While poverty has long ridden the island, the resiliency of the Jamaican people has brought the nation back from the brink of complete economic collapse. The current state of poverty in Jamaica makes it apparent that the future is more prosperous than ever. Due to the government's generous and swift reaction to the pandemic, the state of poverty in Jamaica has continuously improved post-pandemic. In the year 2022, the percentage of people active in Jamaica's labor force has risen.

We pray for about 23% espoused to poverty. For a reduction in crime and corruption that have contributed to the poverty.

Thank you, Father, for this, your precious nation. Wrap them with your love and confidence. May they enjoy a relationship with you daily. Transform this nation in a way where any form of crime or corruption becomes the past and not the present. As they enjoy the beautiful country and people they are created to be for your glory.

Amen

JAPAN

Dear Father,

We pray for our 126 million brothers and sisters, your children. Its Cherry blossom is one of the most popular things in Japan. Not only is it Japan's national flower, but the traditions and events surrounded by the cherry blossoms also make spring a very popular time. Its beauty is from the lavender fields of Furano in Hokkaido down to the crystal-clear beaches of Okinawa, this small country is filled with gorgeous nature, contemporary museums and mountainside temples.

Economically, a country that is one of the world's most innovative economies having the largest electronic goods industry and patent filings. Japan is also the world's biggest creditor with the leading public debt ratio.

Its major export industries include automobiles, consumer electronics (see Electronics industry in Japan), computers, semiconductors, copper, and iron and steel.

Additional key industries in Japan's economy are petrochemicals, pharmaceuticals, bioindustry, shipbuilding, aerospace, textiles, and processed foods. We pray for about 16% of its people exposed to poverty.

Thank you, Father, as you continue standing majestically in the midst of your world. We see you everywhere. No hand can create what you have done so beautifully. Continue to reveal yourself to this nation as they reach to you for their comfort and spiritual growth.

We love you.

Amen

JORDAN

Dear Father,

We pray for our 10 million brothers and sisters, your children. A country with beautiful scenery, rich culture and history. It has been a part of the Middle East since ancient times and it is a region that has been inhabited for thousands of years. The history of this area is rich with art, architecture and literature.

Jordan's economy is projected to grow by 2.1% in 2022, however, rising commodity prices, supply bottlenecks and the impact of the war in Ukraine pose major downside risks to the country's economic outlook. The chief concern facing this economy is high unemployment, particularly the staggering 50 percent unemployment among youth.

We pray for about 24% exposed to poverty. The main obstacles to Jordan's economy are scarce water supplies, complete reliance on oil imports for energy, and regional instability.

Thank you, precious God, for your knowledge and wisdom in guiding nations for the care of its people who belong to you. You desire comfort for everyone as each enjoys and remains focused on your work daily.

You are truly an amazing God who is worthy of our loyalty.

Amen

KAZAKHSTAN

Dear Heavenly Father,

We pray for our 19 million brothers and systems, your children. Known for an incredible variety of natural landscapes, which are spread over a vast area. Also has some of the best national parks to hike in, and the most remarkable cultural and historical sites.

Economically, it is the most powerful economic country in the Central Asian region, and is solely responsible for producing about 60% of the total production of this region locally. It is famous for the oil and gas industry spread in the country, in addition to its abundant relevant resources. It is the leading country in the world for uranium production volumes with 35% of global production, and it has the world's second biggest uranium reserves after Australia.

We pray for about 23 percent classified as poor but many are optimistic about the country's long-term economic

prospects, and believe the country is on the right track with reforms.

Thank you, dear God, for your mercy and grace felt by your people globally. You are ever present. With you there is constant hope for a better day. We rest in you for this people. May your guidance bless them and others who can enjoy partnering with them for success.

Amen

KENYA

Dear Father,

We pray for our 57 million brothers and sisters, your children. Has volcanoes, mountain ranges, coral reefs and other beautiful natural things. The cheetah is the fastest moving animal on land in the world. Kenya's Kalenjin tribe has been dubbed 'the running tribe' for its unbelievable ability to spawn world record breaking runners. World's leading safari destination.

Economically, its major industries include agriculture, forestry, fishing, mining, manufacturing, energy, tourism and financial services. We pray for 17 percent of its people exposed to poverty caused mostly by economic inequality, government corruption and health problems.

Thank you, Father, for covering this people with your love and care. Be their hope and daily guide. Reveal yourself to them in a way that draws them closer to you and your ways daily.

Amen

KIRIBATI

Dear Father,

We pray for our 120,000 brothers and sisters, your children. A country most famous for its world class flyfishing, great scuba diving, and astounding seabird wildlife. Kiribati is the first country in the world to ring-in the New Year. The country is furthest ahead of Greenwich meantime at GMT+14. It is in this country that you see the first rays of the rising sun.

Economically, its major exports are copra, fish and seaweed. It also earns foreign exchange through remittances from the more than 200 workers who visit New Zealand each year on short-term labor contracts. Phosphate deposits on Banaba Island were the primary source of income until supplies were completely exhausted in 1979.

We pray for about 22% of its population exposed to poverty. Low food and water security, a developing health

care system and an education system with much potential to be improved are among the causes of poverty in Kiribati.

Thank you, gracious God, for the hope we enjoy from just knowing you. Acknowledging that you are present with your people is what we need to live each day with joy. You lift us in ways that we can barely explain. Enfold this nation with all that you desire for and of them. Be their beacon.

Amen

KUWAIT

Dear Father,

We pray for your 4 million children, our brothers and sisters. Kuwait has no lakes or rivers, and therefore, the major source of water in Kuwait is the sea with Kuwait's drinking water supply coming mainly from saltwater desalination plants. These desalination plants are the primary source of freshwater for drinking purposes. They provide 92 per cent of water, which equates to about 60 per cent of the total water. Kuwait is known for its home-grown tradition of theatre. Kuwait is the only Arab country in the Persian Gulf region with a theatrical tradition. The Arabic theatrical movement in Kuwait constitutes a major part of the country's Arabic cultural life.

Economically, it has the sixth-largest oil reserve in the world. This economy is unique in the sense that it does not consist of various diversified sectors that contribute a lot to the economy. More than three-quarters of its export is petroleum, being an oil-rich country.

We pray for about 18% who experience poverty but this is lowering due to lesser unemployment.

Thank you, Father, for the abundance experienced by this nation. May it continue to lower its poverty rate and reach out to help its close by countries less fortunate at this time.

May your presence remain strong and lives turn to you for your love and guidance.

Amen

KYRGYZSTAN

Heavenly Father,

We pray for our 6.5 million brothers and sisters, your children. A country famous for its walnut-fruit forests that are the largest natural walnut forests in the world. About 70% mountains. One of the world's least crowded countries. Produced the longest poem in history. Includes gorgeous wild mountain pastures inhabited by modern semi-nomads living in summer yurts, as well as large alpine lakes dotting a landscape characterized by charming villages.

Economically, oil and gas are the leading economic sector. Its mineral resource base is characterized by a large number of oilfields and gas fields and by a large variety of mineral resources. The country ranks among the world's leading countries in its reserves of chromite, wolfram, lead, zinc, manganese, silver and uranium.

We pray for about 25% exposed to poverty.

We rejoice in your beauty in every nation dear God. You are our master artist. Each detail speaks of your precision. Cause your people to pause long enough to understand the precision with which you also created your temple, our body. May we care for it as it brings you glory. Bless this nation as you reveal yourself to them in a special way.

May all come to see your unfailing goodness.

Amen

LAOS

Dear Father,

We pray for our 7 million brothers and sisters, your children. A country called the “Land of a Million Elephants,” and is famous for its amazing scenery, ethnic villages, and unexplored lands. It is best known for some of Southeast Asia's most spectacular waterfalls, including Tad Fane and Dong Hua Sao. Most heavily bombed placed on the world due to the Vietnam war.

Economically, it faces both liquidity and solvency challenges due to its high debt service burden, poor revenue collection, limited financing options, and low foreign currency reserves. in 1953, but only adopted market reforms in the late 1980s. Major trading partners include Thailand, China and Vietnam. Main exports are timber, mining commodities and hydroelectricity. Major imports include machinery, equipment and motor vehicles.

We pray for 33% of its children who have limited access to food. Poverty fluctuates to sometimes as high as 70%.

Thank you, dear God, for enfolding this nation with your love and hope. Be present with them as they turn to you for their wellness. Be their peace and calm that are priceless. We trust them in your unfailing care.

Amen

LATVIA

Dear God,

We pray for our 1.8 million brothers and sisters, your children. A country with the widest waterfall in Europe and one of the world leaders in internet speed. It also known for its also for our 50 shades of potato dishes and four extremely diverse seasons. Has abundant natural beauty, imposing castles, and pretty cities.

Economically, this nation is projected to grow by 3.5% in 2022. Export growth will slow due to the repercussions of the war in Ukraine, material shortages, and weaker economic activity in the EU, although strong demand for some of Latvia's main export products, such as wood and food products, will soften the downturn.

We pray for 25% of this people exposed to poverty. The country's ethnic Russian population faces disadvantages in matters such as education and employment.

Thank you, Father, for your divine order through a creation that is mesmerizing. Your Hand holds the world in a way that no other can. We trust you for this nation as your people experience you in ways that draw them closer to you daily.

Be their light, hope and guide.

Amen

LEBANON

Dear Father,

We pray for our 7 million brothers and sisters, your children. Since before Biblical times, Lebanon has been famous for its cedar trees. The Temple of Solomon was built by Lebanese workers using cedar from Lebanon. Lebanese cedar was also found in the tombs of the Pharaohs of Egypt. Lebanon offers plenty: from ancient Roman ruins, to well-preserved castles, limestone caves, historic Churches and Mosques, beautiful beaches nestled in the Mediterranean Sea.

Economically, tax revenues are an important source of income for the Lebanese government, among which domestic taxes on goods and services and income tax are the most significant. It is almost three years into an economic and financial crisis that is among the worst the world has seen.

The economic consequences of the war in Ukraine and associated sanctions are adding to Lebanon's plights, in particular given its critical net imports of wheat (quasi-exclusively from Russia and Ukraine) and oil.

We pray for the 16 percent of people exposed to poverty.

Thank you, Father, for wrapping this nation with your love and guidance. May they feel your care as you draw them closer to you in a special way.

Amen

LESOTHO

Dear Father,

We pray for your 2 million children, our brothers and sisters. A country well known for its breathtaking scenery which includes snow-capped mountain ranges during the winter. The Sehlabathebe National Park, in the Maloti Mountains, is at the heart of the country and boasts rich plant, animal and bird life.

Economically, its livelihood is based on subsistence farming and animal husbandry, as well as small-scale industries that include clothing, footwear, textiles, food processing and construction. The small manufacturing base depends largely on farm products to support the milling, canning, leather and jute industries.

We pray for the 35 percent exposed to poverty. Perceived causes of poverty by households include low education of family heads, poor economic and poor business

conditions that exist within the country. Many people are unable to access arable land for farming.

Thank you, dear God, for wrapping your people with your care. You are a faithful God. Be their source of wellness as they trust you daily. Reveal yourself to them.

Be their hope.

Amen

LIBERIA

Our dear Heavenly Father,

We pray for our 5 million brothers and sisters, your children. A country that is the only Black state in Africa never subjected to colonial rule and is Africa's oldest republic. It was established on land acquired for freed U.S. slaves by the American Colonization Society, which founded a colony at Cape Mesurado in 1821. Has lush green landscapes, top surfing spots, and diverse wildlife.

Economically, its important economic deposits of iron ore, gold and diamonds are known in Liberia and there is considerable potential for additional discoveries. It experienced strong growth in 2021. After contracting by 3.0 percent in 2020 due to the COVID-19 pandemic, growth recovered to 5.0 percent in 2021. The rebound was driven by improved external demand, higher prices for Liberia's main exports, and the resumption of normal domestic activity.

We pray for those 35% if its people exposed to poverty.

Oh Father, just to bask in your lovely creation is mesmerizing. It covers the earth. You missed no spot. Thank you for loving us so much. Be with this people as they work on meeting the needs of more of their people. Be present in the midst of them as they look to you as their leader and their provider.

Be the inner joy they feel each day.

Amen

LIBYA

Dear Father,

We pray for our 7 million brothers and sisters, your children. Home to the largest proven oil reserves in Africa. Although popularly known as a Muslim nation, Libya possesses a rich Christian history. It is almost entirely covered by desert, a flat plateau that's part of the Sahara, the world's largest hot desert. Libya is so dry that no permanent rivers flow through its boundaries. Water may flow beneath the ground and occasionally seep aboveground into dry stream beds. Libya has some stunning beaches. It overlooks the Mediterranean Sea with a coast line around 2.000 km long. This makes Libya's resort beaches among the longest along the Mediterranean Sea. Libya's beaches are characterized by variations in their natural appearances from sandy beaches under the shadows of palm trees to rocky beaches overlooked from above by great hills.

Economically, it imports about 80% of its food. Its economy is almost entirely based on oil and gas sales, and it is a major global oil producer. It imports most of the food consumed by its people due to its inability to locally produce the same. The country is located within the extensive Sahara Desert which means it receives very low precipitation. It also possesses poor soil and climate which are both limitations to food production.

We pray for about 50% of its people who claim there are unable meet their basic needs.

Thank you, dear God, for your love for this people as you continue to be their major focus. Be there God as they reach to you for all they need for their wellness. Reveal yourself to them. Let them be a called people for your glory.

We thank and praise you.

Amen

LIECHTENSTEIN

Dear Father,

We pray for our 38,000 sisters and brothers, your children. A country that is the one in the world with 100% of its territory in the Alpine region. Europe's seven Alpine countries — Austria, France, Germany, Italy, Liechtenstein, Slovenia, and Switzerland — are the nations that encompass the Alps, the highest mountain range that lies entirely in Europe. Has no airport. Closest is in Zurich.

Economically, it is very strong. Its economy is based on industry, with a small but significant agricultural sector, and services - especially general services, including tourism and information technology. This nation shows zero poverty.

We pray for their desire to increase gender equality so more women can enjoy higher wellness and privileges.

Thank you, Father, for the wellness of this country. May all your people enjoy realizing their purpose in life through more freedom for all. May they see the value in each other and how they can continue to thrive in more ways as both genders work in harmony. Continue to reveal yourself to your people as they enjoy your fullness in their midst. A fullness that surpasses all-natural wealth.

Amen

LITHUANIA

Dear Father,

We pray for our 2 million brothers and sisters, your children. A country famous for its landscapes, flatlands, abundant forests, lakes and marches. In addition, the seaside with its sandy beaches where amber may be found and the Curonian Spit with its impressive images and dunes. It contributed to the world through its laser systems used by NATO soldiers; components produced in the country help develop quantum computers; and scientists of the world have already used DNA scissors technology developed by Lithuanians.

Economically, it exited the COVID-19-crisis successfully and was growing fast until early 2022, buoyed by rising exports and rapid integration into global value chains.

However, with the Russian-Ukrainian situation continuing and its consequences spreading, the outlook has darkened. Growth has slowed, and inflation has risen to some of the highest levels in the euro area, driven by high

energy and food prices. We pray for about 4% at absolute poverty line.

We exalt you dear God for you reign masterfully. You are in control. We trust you in light of all that is happening that could cause economic and other types of regression for your nations globally. We trust you above all other earthly powers.

Thank you for your presence.

Amen

LUXEMBOURG

Dear Father,

We pray for our 650 thousand brothers and sisters, your children. A nation famous for being one of the richest countries in the world, being a European economic powerhouse, and for having award-winning wines. Luxembourg is known for its capital city, also called Luxembourg, having a curious network of underground tunnels and for having three national languages. It is home to a huge array of stunning scenery, quaint towns and peaceful villages. It has a filled with pastoral idylls, raw natural beauty and crumbling castles.

Economically, it owes its wealth to the discovery of iron ore in the southern area of the country called the Minett. Today, the vibrant expansion of the financial center, the emergence of new service activities and leading-edge industrial companies characterize Luxembourg's economy.

We pray for 17 percent of its people exposed to poverty. About 24% of people face the daily threat of homelessness.

Our hearts are filled with joy as we keep seeing your majestic beauty in all the world. You are a towering God of all that is lovely and grand. A natural wealth designed for your people while you love. Be with this nation as your presence fills them with all that you desire for them. Most of all may they enjoy a relationship with their eternal God.

Amen

MADAGASCAR

Dear Father,

We pray for our 29 million brothers and sisters, your children. A country best known for its lemurs (primitive relatives of monkeys, apes, and humans), colorful chameleons, stunning orchids, and towering baobab trees, Madagascar is home to some of the world's most unique flora and fauna.

Economically, the main industry in Madagascar is agriculture. About 80 percent of Malagasy work in agriculture and approximately 86 percent of that number are in poverty.

In addition, the country relies heavily on vanilla exports. The African nation is the world's largest vanilla producer. We pray for 81% of their people exposed to poverty.

Thank you for your hope dear God. Wrap this nation with love, provision and guidance. Be the solution for all their needs as their voices raise to you in thanksgiving. Be their main source of wellness and daily peace.

We thank you.

Amen

MALAWI

Dear Heavenly Father,

We pray for our 19 million brothers and sisters, your children. Has a majestic lake stretching through its eastern border that gives way to beautiful beaches. A place where you can enjoy a natural paradise. Malawi is also home to over 600 species of birds making it a bird lover's paradise as well. Malawi is a land of lakes and plateaux, delineated by the great ridges of the East African Rift. The nation is long and thin, wrapping around the lands of Tanzania, Zambia and Mozambique.

Economically, it remains one of the poorest countries in the world despite making significant economic and structural reforms to sustain economic growth. The economy is heavily dependent on agriculture, which employs over 80% of the population, and is vulnerable to external shocks, particularly climatic shocks.

We pray for about 50% of its oriole exposed to poverty.

Thank you, Father, for this nation and another set of your people who can rise up and bless your name. Be with them. Reveal yourself to each one in a special way. You are a collective and an individualistic God.

We love you.

Amen

MALAYSIA

Dearest Father,

We pray for our 32 million brothers and sisters, your children. A country known for and famous for its diverse landscapes, rich culinary tradition, and exciting experiences. The country boasts incredible nature, sprawling markets, fascinating cities, tropical paradises, and more.

Economically, it produces palm oil, rubber, cocoa, and wood products account for around half of the output, while other significant contributors include tropical fruits and rice. Malaysia is the world's second largest palm oil producer and exporter after Indonesia. Manufacturing is regarded as the backbone of the region, with a key focus on products such as electronics, machinery, and transport equipment.

We pray for about 9% exposed to poverty. Low levels of education or skills, lack of employment opportunities, low

wages, large family size and lack of basic amenities are among the factors causing urban poverty.

You are majestic God. We praise you and thank you for your sovereignty. Love and guide this people as they become aware of your Hand on their lives.

Amen

MALDIVES

Dear Father,

We pray for our 563 thousand brothers and sisters, your children. A country known for its vibrant culture, pristine beaches, sprawling greenery, and fascinating landmarks. Apart from the numerous enchanting landmarks. Also famous for water sports and other adventure activities.

Economically, tourism is the largest sector of Maldives' economy, providing for more than 28% of GDP and 60% of foreign exchange. Expect growth to be 12.4 percent in 2022, which is 4.8 percentage points higher than the forecast in early 2022. This is owing to the faster than expected rebound in tourism

Issues faced with include beach erosion, coral mining, population issues, freshwater resources, waste disposal and sewage disposal.

We pray for its 3.8 exposed to poverty. The poverty rate is estimated to have risen to 19.8 percent in 2020 due to the impact of the pandemic, but, with the economic rebound, is expected to drop to 3.8 percent by the end of 2022.

We thank you dear God for the prosperity of this country. For the extreme decrease in poverty. Guide them as they deal with the current issues that threaten their wellness.

You are our faithful God.

Amen

MALI

Dear God,

We pray for our 20 million brothers and sisters, your children. Known for its stunning landscapes with centuries-old village architecture. Like an exquisite sandcastle formed in a harsh desert landscape, Mali is blessed by an extraordinary amount of beauty, wonders, talents and knowledge.

Economically, one of its most prominent natural resources is gold, and the country is the third largest producer of gold on the African continent. It also exports salt. Also known for its prolific trade networks and development in education. But still among the 25 poorest countries in the world, landlocked and depends on gold mining and agricultural exports for revenue. Its status fluctuates with gold and agricultural commodity prices and the harvest; cotton and gold exports make up around 80% of export

earnings. About 68% of its people exposed to poverty - mostly in the densely populated rural areas of the south.

Thank you, Father, for your presence that makes all the difference. May you wrap this people with your love and hope. Cause their eyes to look to you for their wellness. May your peace and calm and wisdom guide its structure and its development daily.

Amen

MALTA

Dear Father,

We pray for our 442,000 brothers and sisters, your children. Known for its warm climate and breathtaking landscapes that serve as locations for major film productions. The archipelago (collection of islands) is home to some of the oldest temples in the world, such as the Megalithic Temples of Malta. Wealthy in history, culture and scenery. Has beautiful gardens

Economically, it is expected to grow strongly by 5.7% in 2022, driven by domestic demand and export of services, including tourism. It is dependent on foreign trade, manufacturing (especially electronics and pharmaceuticals), and tourism. We pray for the 20 percent exposed to poverty.

Thank you, dear God, for wrapping this people with your love. Reveal yourself through the path of provision and wellness. May this nation see you in all its beauty.

Amen

MARSHALL ISLANDS

Dear Father,

We pray for our 60,000 brothers and sisters, your children. This is a nation of scattered atolls (a ring-shaped reef, island, or chain of islands formed of coral) and remote islands, which are known for their marine life and diving opportunities. Many of the atolls are dotted with Flame of the Forest, hibiscus and different-colored plumeria flowers. There are also at least 160 species of coral surrounding the islands. An island nation that rose from the sea floor there were no native mammals in the Marshall Islands. But the marine life is in plenty. The islands are home to over 1,000 species of fish and more than 250 species of soft and hard corals. With the crystal-clear water, it's considered to be a great place for diving.

Economically, agricultural production, primarily subsistence, is concentrated on small farms; the most important commercial crops are coconuts and breadfruit. Industry is limited to handicrafts, tuna processing, and copra. Tourism holds some potential.

The islands and atolls have few natural resources, and imports exceed exports.

We pray for the 30% exposed to poverty.

Thank you, God, for wrapping this nation and your people with love and care. Be their resource and wellness. Touch their hearts with your presence that gives all hope.

We trust in you.

Amen

MAURITANIA

Dear Father,

We pray for our 5 million brothers and sisters, your children. A country is rich in mineral resources, especially iron and ore. In fact, the highest mountain, Mount Ijill is made almost totally of iron ore. Has many beautiful beaches. Two third is desert. Houses world's largest ship graveyards. Girls being slim is a negative. They are forced to eat to get fat that is more acceptable as it is a sign of wealth and good care. Last country to abolish slavery.

Economically, Mauritania's underground, land, and seas treasure different kinds of natural resources. The country has minerals, like iron, copper, and gold, and enjoys its own share of petrol. It will soon see a gas boom, and has seashores rich with fisheries. Some of its terrain also boasts of extended and fertile lands.

We pray for about 24% of its people exposed to poverty due recurring natural disasters and economic, social and educational disparities plague Mauritania with vulnerability. Efforts are being made to reduce poverty.

Thank you, God, for the efforts being made in this nation to improve life for its people. Guide them on how to best utilize your rich resources for higher equality. Reveal yourself to them. Be their God and they your people. May their land praise your name resoundingly.

You are worthy and we love you.

Amen

MAURITIUS

Dear Father,

We pray for our 1.2 million brothers and sisters, your children. A beautiful tropical island renowned for its coastal bounties with pristine beaches and extensive coral reefs set against the backdrop of sculptured volcanic mountain scenery. Situated on the Tropic of Capricorn, Mauritius is known as the 'Pearl of the Indian Ocean'.

Economically, since independence in 1968, Mauritius has undergone a remarkable economic transformation from a low-income, agriculturally based economy to a diversified, upper middle-income economy with growing industrial, financial, and tourist sectors. Mauritius has achieved steady growth over the last several decades, resulting in more equitable income distribution, increased life expectancy, lowered infant mortality, and a much-improved infrastructure.

The economy currently depends on sugar, tourism, textiles and apparel, and financial services, but is expanding into fish processing, information and communications technology, education, and hospitality and property development. Sugarcane is grown on about 90% of the cultivated land area but sugar makes up only around 3-4% of national GDP. Authorities plan to emphasize services and innovation in the coming years.

We pray for about 10% of its people exposed to poverty.

Thank you, dear God, for the upward movement of this nation and the increased wellness for its people. Continue to reveal yourself to them in a special way.

You are our God. We are your people.

Amen

MEXICO

Dear Precious Father,

We pray for our 129 million brothers and sisters, your children. Known for its rich culture, ancient ruins, beautiful beaches, vibrant corals and marine life of the underwater world.

Economically, the main sectors of the Mexican economy are services, manufacturing, commerce, agriculture, mining, energy production, and the financial industry. In recent years, Mexico has begun using modern technologies in both industry and agriculture. At the same time, many traditional methods are still used in rural farming.

We pray for about 38% of people exposed to poverty - factors such as food insecurity, shrinking education budgets, corruption, and lack of access to basic resources such as water, electricity or health care perpetuate this cycle and serve as insurmountable obstacles for the

hardworking people trying to get ahead in life. The good news is that many civil society organizations are collaborating to combat this multifaceted issue.

Thank you, dear God, for your constant love that gives hope. Wrap this nation as you help them see your blessings and give them a desire to walk with you as they perfect other areas that need attention. You are so faithful.

We trust in you alone for this, your people.

Amen

MICRONESIA

Heavenly Father,

We pray for our 562 thousand brothers and sisters, your children. A people located nearby the Philippines and Taiwan. Consisting of over 2,000 islands on the Pacific Ocean with beautiful beaches, historical sites and landscapes of towering mountains. Its location made it a prized site for military bases and nuclear tests, particularly for the United States.

Economically, the economic activity of the Federated States of Micronesia consists primarily of subsistence agriculture and fishing. The islands have few mineral deposits worth exploiting, except for high-grade phosphate.

We pray for about 38 percent exposed to poverty. Oh God, indeed how majestic is your name in all the earth. Thank you for loving us.

Thank you for providing such beauty all around for our pleasure. Each nation is a slice of heavenly beauty. Be with this nation as it navigates care for its people - be their daily guide. You are a God in whom we can rely daily.

Thank you.

Amen

MOLDOVA

Dear Father,

We pray for our 4 million brothers and sisters, your children. A country famous for its wines, and high-quality wines at inexpensive prices. With over 200 kilometres (125 miles) of underground roadways, Milestii Mici is registered in the Guinness World Records as the biggest wine collection in the world. Its Manastirea Curchi that is one of the most beautiful monasteries in the country and has even won an award for it. It has a complex which is made of several abbeys, churches, and refectory and monk cells

Economically, Moldova offers a large range of agricultural products, such as fruits, vegetables, grains, and livestock. Basic crops include winter and spring grains (wheat, barley, maize), sunflowers, sugar beet, potatoes and other root vegetables, horticultural crops, and fruits. Moldova is projected to stagnate in 2022 amid spillovers from Russia's invasion of Ukraine.

The war in Ukraine continues to weigh heavily on Moldova, although some initial pressures have subsided.

One of the poorest countries in Europe. We pray for its 13% exposed to poverty. Economic development, health care changes, educational developments and social safety nets are being out in place to reduce the poverty.

Thank you, God, for this nation with your people. Thank you for their efforts to better lives for all. Continue to make yourself present where they come to see and know you in a special way.

We thank you for your majestic beauty and faithfulness.

Amen

MONACO

Dear Father,

We pray for our 39 million brothers and sisters, your children. Second smallest country in the world. Has lovely beaches. Its French Riviera is one of the most beautiful destinations in the world. One in three people who live in Monaco is a millionaire. Monaco is the most expensive luxury residential market in the world.

Residents live longer than anywhere else in the world. Possibly one of the safest places in the world, Monaco has one police person per 73 residents.

Economically, as one of the smallest independent states in the world, almost the entire country is urban. Monaco has a service-based market economy in which the prices of goods and services are determined in a free price system. Has a zero-poverty level. Most people who work in Monaco don't actually live there. More than 30,000 French and 5,800 Italian nationals commute to Monaco to work every day.

Thank you for another of your beautiful locations dear God. Be present among your people as they also enjoy your wealth that cannot be touched by human hands. The type of wealth that brings daily joy and not just happiness.

Bless and guide as they share their wealth with some of those less economically fortunate. We praise you for in you we find all we could ever desire. We surpass a millionaire status in you that is so permanent.

Amen.

MONGOLIA

Dear Father,

We pray for our 3 million brothers and sisters, your children. Your country renowned for its stunningly beautiful landscapes. With dramatic mountains, vast grassy meadows, towering sand dunes and a startling silence in the open air, you can understand why Mongolians call their homeland the “land of the blue sky. Founded by Genghis Khan in 1206, it became the largest connecting empire in history. Originating on the steppes (a large area of flat unforested grassland) of Central Asia, at its peak it stretched all the way from Central Europe to the Sea of Japan, extending north into Siberia and south into the Indian subcontinent.

Economically, this country depends on herding and agriculture, has transformed into an economy focused more on extractive industries, spurred on by significant investment in Mongolia by foreign enterprises. Mongolia has extensive deposits of copper, gold, coal, molybdenum, fluorspar, uranium, tin, and tungsten.

We pray for about 25% of its people exposed to poverty because of lack of jobs, urban migration, harsh winters, lack of access to water and sanitation, low food security, and disability.

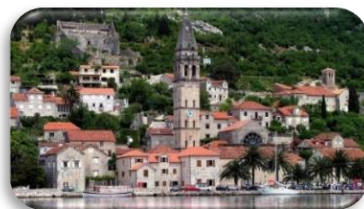

Thank you, dear God, for this people you have created for your glory. Touch the hearts of each with your presence. Be their fresh hope and joy as they turn to you for their wellness.

We praise your wonderful name.

Amen

MONTENEGRO

Dear Precious God,

We pray for our 627 thousand brothers and sisters, your children. Your country that is primarily a mountain hence the name of the country, although it is famous for its beaches as well. Has many beautiful caves and waterfalls.

Montenegro's export sector is driven by its manufacturing base. Montenegro's main exports are non-ferrous metals, electricity, metalliferous ores and metal scrap, iron and steel, beverages, cork and wood and energy and petroleum products.

Montenegro's growth was remarkably strong in the first half of 2022, driven by surging private consumption and a further recovery in tourism. However, the unfavorable global outlook and high uncertainty, both abroad and home, are weighing on Montenegro's additional recovery prospects.

We pray for about 33% of its children exposed to poverty and about 20% overall.

Thank you, Father, for your world of beauty and rich resources. We see your handiwork in each of your countries. May all your people depend on this same Hand for healing and provision. You are truly their source of life.

We thank and praise you.

Amen

MOROCCO

Dear Father,

We pray for our 37 million brothers and sisters, your children. Its cultural diversity reflected in the varied architectural beauties found across the nation. Has majestic mosques to traditional riads, brilliant palaces and sublime centers of religious study. Also has paradise beaches, expansive desert and mountains.

Known for its lively, active medinas. A medina is a historic quarter of a city. Found throughout North Africa, medinas are typically surrounded by walls and have narrow, maze-like streets. Morocco is home to the largest active medina in the world.

Economically, the three leading exports are agricultural produce, semi-processed goods, consumer goods including textiles and phosphate products. Major imports are semimanufactures and industrial equipment, crude oil, and food commodities.

The poverty rate in Morocco has decreased by more than 40 percent during the last decade. We still pray for its 2.4% poverty rate - low due to strengthening political and fiscal decentralization and increasing the participation of local and elected councils and civil society organizations.

Thank you, dear God, for the lower party rate in this nation. Guide them as they take care of those still exposed to lower incomes. Reveal yourself to them in a special way as they see you as their God and Father.

We claim this nation too for you.

Amen

MOZAMBIQUE

Dear Papa God,

We pray for our 31 million brothers and sisters, your children. Known for its wildlife and beautiful beaches and also rich in cultural heritage. As a former Portuguese colony, there is a lot to discover. It has only been independent since 1975 which is not so long ago. The official language is Portuguese but there are over 40 different dialects

Economically, agriculture remains the main economic activity in Mozambique. Smallholder farmers account for the vast majority of this sector's production, with some 3.2 million smallholder farmers accounting for 95% of the country's agricultural production. Roughly 400 commercial farmers produce the remaining 5%. Its most important exports by value include aluminum, shrimp and cotton whereas its most important imports by value include fuel, machinery and spare parts, and food

products. South Africa is the country's major trading partner.

We pray for about 63% of its people exposed to poverty.

You reign across this nation dear God. Show your provision in the most amazing of ways. Guide its leadership to see the value of uplifting the standard of living for all. Open doors internally and externally for economic relief. Make yourself present in the most irrefutable ways that all may look to you.

Amen

MYANMAR

Dear Precious Father,

We thank you for our 55 million brothers and sisters, your children. A country with beautiful and shimmering landscapes. Has world's finest rubies - the most famous of them all, the 'Graff Ruby' ring, worth \$8.6M USD at a Sotheby's auction in 2015, setting a new world record. One of the only three countries in the world not to use the metric system. The country still uses its own units of measurement, though gas is measured in gallons and distances in miles.

Economically, oil and gas dominate Myanmar's exports. Other exports include vegetables, wood, fish, clothing, rubber and fruits. Myanmar's main exports partners are China, India, Japan, South Korea, Germany, Indonesia and Hong Kong. We pray for about 40% of this people exposed to poverty.

We rest these people in your hands dear Father. No one is more capable than you. Please guide its leadership as it focuses on the welfare of its people. Cause such a strong desire to see wellness throughout this nation. We entrust their care into your trusting arms.

Amen

NAMIBIA

Dear God,

Thank you for our 2.5 million brothers and sisters, your children. World famous for having the highest dunes in the world and for its Etosha National Park, one of world's greatest conservation area. Home of the world's largest population of free-roaming cheetahs (about 3,000). Oldest desert in the world.

Economically rich in mineral resources, including diamonds and uranium sharing borders with South Africa, Botswana, Zambia, and Angola. Political stability and sound economic management have helped poverty reduction and allowed Namibia to become an upper-middle income country.

We pray for about 43% of its people still exposed to poverty.

Thank you, God, for another of your nations with such beauty and rich resources. Open doors for more of your people to enjoy economic wellness. We know you are a provider. Keep revealing yourself as their source of help, peace and daily joy.

We thank and praise you.

Amen

NAURU

Dear Father,

We pray for our 10,000 brothers and sisters, your children. This country has beautiful coral reefs. Third smallest country in the world. Nauru has no protected areas, no World Heritage Sites, no rivers, and just 30km of roads. No army. It is protected by Australia.

Economically, phosphate has been mined on Nauru since 1907. For decades it was its main resource and sole export, dominating the island's economy, and its quality was the highest in the world. The phosphate industry and government services together provided almost all of the island's salaried employment. Through the level of availability of its main resource, it went from being the richest country in the world to the 5th poorest and now climbing again.

We pray for about 53%% exposed to poverty.

We thank you God for the upward turn of this economy. Guide its leadership and support partners on how to diversify its economy for higher consistent stability. These are your people. Be their comfort and constant reminder that you are in control. May their voices be heard by you as they call unto you for their wellness.

We are so blessed to know you, Father.

Amen

NEPAL

Dear Father,

We pray for our 30 million brothers and sisters, your children. Home to 8 of the world's 14 - 8000m peaks, including the highest peak of the world, Mount Everest. Over 1,300 peaks of the Himalayas in Nepal are over 6,000 m high, earning the 'Himalayan nation' title. The Himalayas in Nepal is the reason why mountaineering is famous worldwide.

Nepal is among the few countries which were never colonized by any other country. Despite being a small nation, Nepal has always been a sovereign nation. Despite being a country with numerous ethnic groups and religions, not a single drop of blood has ever been shed in Nepal in the name of religious and ethnic riots

Economically, the country is heavily dependent on imports of basic materials and on foreign markets for its forest and agricultural products.

It imports essential commodities, such as fuel, construction materials, fertilizers, metals, and most consumer goods, and exports such products as rice, jute (soft, shiny fiber that can be spun into threads), timber, and textiles. Low productivity and high production cost have also left Nepal with a low product base. Nepal does not have its original product exported in a large quantity. Most high-volume export products are imported from other countries and exported to India with small value addition. We pray for about 17% exposed to poverty.

Father thank you for your arms stretched across your nations. We see your wonders and feel your presence in each country. Continue to walk through your world touching lives as you remind us daily that you are the only true God and Father of all your people globally.

We love you and remain close to your heart.

Amen

NETHERLANDS

Dear Father,

We pray for our 17 million brothers and sisters, your children. An extraordinarily diverse country featuring lush countryside, wild shorelines, medieval towns and modern cities. This country may be a small country, but it's packed with world famous icons. Discovered bulb fields (fields of tulips) windmills, cheese markets, wooden shoes, canals of Amsterdam, masterpieces of Old Masters, Delft Blue earthenware (valuable pottery), innovative water management and millions of bicycles.

Economically, the trade, transportation and accommodation and food services sector, the business services sector and the culture, recreation, sports and other services sector made the largest positive contributions to an upward economy.

We pray for about 13% exposed to poverty.

Thank you for your majestic beauty in this country. Be their guide as they find ways to make life easier for many more.

Make yourself present as this nation rejoices at the works of your hand. You are a faithful God.

Amen

NEW ZEALAND

Dear Father,

We pray for our 5 million brothers and sisters, your children. A country known for its landscapes. Has amazingly clean air and incredible green grass. Consists of 2 islands – the North and the South. On the North Island – hilly green fields, sea and ocean with sandy beaches, cliffs and a tropical fern forest. Invented bungee jumping. First country in the world to allow women to vote.

Economy-wise, mostly agricultural products - principally meat, dairy products, and fruits and vegetables—are New Zealand's major exports; crude oil and wood and paper products are also significant. The major imports are crude and refined oil, machinery, and vehicles.

We pray for the child poverty rate of 17%. The most important causes of child poverty in this country are low family income, poor academic performance, social and health problems and public spending priorities.

However, there are efforts by the government to improve all conditions contributing to child poverty.

Thank you, dear Father for your Hand that stretches across nations. Each is unique and special in your sight. Wrap this nation with your love and guidance. Bless its efforts to reduce especially child poverty.

You are our faithful God in whom we place our trust daily.

Amen

NICARAGUA

Dear Father,

We pray for our 7 million brothers and sisters, your children. A country with charming land of lakes, volcanoes, jungles, and amazing surf is ripe for adventure and jam-packed with unspoiled natural beauty. Known as one of the most underrated gems in all of Central America. Has the two largest fresh water lakes in Central America, Lake Managua and Lake Nicaragua.

Nicaragua has one of the highest degrees of income inequality in the world. One of the poorest countries in North America. About 50-82.3% of the population exposed to poverty in various areas of the country. Nicaragua's location and climate have made it prone to a host of natural disasters including volcanic eruptions, earthquakes, floods, droughts, and hurricanes. This, along with massive deforestation and a history of political and economic repression, accelerates the cycle.

The government is trying to lower the poverty through a variety of social and welfare programs.

God thank you for yet another beautiful place in your creation. A country full of resources. Please bless this nation as you open doors internally and externally for the help needed to save your people from extreme poverty. Be their comfort and hope. Direct their focus to you who are their source.

We love you and trust you.

Amen

NIGER

Dear Father,

We pray for our 26 million brothers and sisters, your children. A nation that sits on some of the world's largest uranium deposits. Referred to as an architectural wonder. Known for its traditions and culture. A mix of scenic views, diverse fauna, historical treasures and sand dunes.

Niger's economy is based on subsistence agriculture, like crops and livestock, and the export of raw commodities. Has 42% poverty, especially among women and girls, due to its heavy indebtedness and other reasons such as limitations on arable land (land that can be ploughed and ready to grow crops) widespread illiteracy, and agricultural vulnerability.

This nation borders with 7 countries that exposes it to refugees and migrants.

Father, we lift this your people before you. It has its own rich resources including ones not even fully tapped into. Please give the guidance and wisdom and opportunities needed for your children to enjoy a comfortable living. They are yours.

Give them the inner peace and calm they need as you reassure them of your presence that remains strong. A presence that adds joy where happiness may be absent.

We seek it all in your precious name.

Amen

NIGERIA

Dear Heavenly Father,

We pray for our 217 million brothers and sisters, your children. The 6th largest nation in the world. Has 250 ethnic groups with over 500 languages. World's largest diversity of butterflies. It is home to the second largest film industry on the globe whilst also being the fashion, technological and creative hub in Africa. Considered to be another beautiful landscape. Nigerians are known for being very hardworking.

Sluggish growth, low human capital, labor market weaknesses, and exposure to shocks are holding Nigeria's poverty reduction back but leadership is working on reducing the poverty level.

We pray for about 40% of its people living below the national poverty line. Many Nigerians – especially in the country's north – also lack education and access to basic infrastructure, such as electricity, safe drinking water, and

improved sanitation. Most workers are engaged in small-scale household farm and non-farm enterprises.

We thank you God for this nation as it works on many solutions to bless your people. Be their guide and astute leader. Wrap them with your love and wisdom as they stretch their amazing creative gifts for wellness. Reveal yourself to them in a special way as they reach to you, their God for holistic sustainability.

We thank and praise you.

Amen

NORTH KOREA

Dear Father,

We pray for our 26 million brothers and sisters, your children. About 80% mountainous nation with stunning scenery and opportunities for enjoyable mountain hikes. Its countryside is absolutely beautiful, with rolling hills and vivid green colors. A nation with very talented people in the arts.

North Korea contains the great bulk of all known mineral deposits on the peninsula. It is estimated that some 200 minerals are of economic value. Most important are iron ore and coal, although greater emphasis has been given to the extraction of gold, magnesite, lewd and zinc. Its economy includes military products, machine building, chemicals, mining (coal, iron ore, limestone, magnesite, graphite, copper, zinc, lead, and precious metals), agriculture, metallurgy, textiles, and food processing.

We pray for about 60% of its people exposed to poverty.

Thank you, God, for being present in this country as majestically as its towering mountains. Be a constant reminder to its people of your peace, calm, hope and inner freedom that all come from knowing you, loving you, enjoying just being a part of you. The inner joy and contentment that are direct derivatives from a love walk with you.

We thank you for revealing yourself to this people in a quiet and special way. Be a God to them as they be a people to you.

Amen

NORTH MACEDONIA

Dearest Father,

We pray for our 2 million brothers and sisters, your children.

A country that houses the oldest and deepest lake in Europe. Has the higher number of mountains and mountain peaks than any other country in the world. Has some of the most incredible landscapes and historical cities in all of the Balkan countries. North Macedonia is the only country that got independence from Yugoslavia without shedding one single drop of blood. It remained entirely at peace at the heat of Yugoslav wars in the early 1990s and gained independence from Yugoslavia in 1991. Home of Mother Teresa.

Macedonia's industries are centered around steel and chemical production, along with buses, textiles, food processing, tobacco, furniture and ceramics.

Regarding the economy, political and ethnic tensions are contributing factors to the widespread poverty. Suspected government corruption in elections and ongoing prejudice between the Albanian and Macedonian populations prevent the stability necessary for economic improvement.

We pray for about 20% of its people exposed to poverty.

Father, we rise today to your lovely world that we are privileged to enjoy. Indeed, you've got the whole of creation in the palm of your hand. You are a supreme and majestic God as seen throughout your world. Let it be your stage on which you take your walk majestically reminding us all that we are mere stewards of what is solely yours.

We give you all the glory and praise.

Amen

NORWAY

Dear God,

We pray for our 5 million brothers and sisters, your children. A country known as the Land of the Midnight Sun. It is famous for its phenomenal fjords - has one of the deepest in the world (Fjord: a long, narrow, deep inlet of the sea between high cliffs, as in Norway and Iceland, typically formed by submergence of a glaciated valley).

Also known for its beautiful lakes and magical skies. Norway is also famous for its languages, Vikings and folklore, being eco-friendly, and oil production. Also, many inhabitants of Norway are renowned skiers.

We are thankful for its very low unemployment rate. Part of the reason for this fortunate situation is due to a broad agreement (tripartism) among unions, employers, and government to maintain a high-level coordination in wage bargaining.

It is one of the world's most prosperous countries, and the production of oil and gas accounts for 20 percent of its economy. Other important sectors include hydropower, fish, forests, and minerals. State revenues from petroleum are deposited in the world's largest sovereign wealth fund.

We still pray for about 13% at risk with poverty.

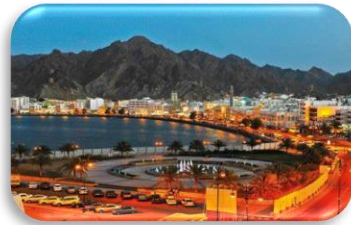

God your supreme beauty shines through this nation as well. Continue to bless the great efforts to equalize wealth. Be with its leadership as it succeeds in its plans and be an example to other nations.

We thank you for your goodness shows through brilliantly in your creation.

Amen

OMAN

Precious Father,

We pray for our 5 million brothers and sisters, your children. Located on the edge of the Arab Peninsula, this is another beautiful nation with exotic destinations, architectural wonders, rich heritage and humble local folk. From the clear water beaches and vast desert stretches to the scenic mountain peaks, Oman gives one a glimpse of nature in its every form. Famous for its ancient oases irrigation system, terraced orchard, adobe fortresses, lots of mosques, traditional Arabian sailing ships and the world's third-largest yacht.

A country that was once one of the poorest Arab nations to becoming one that experienced the fastest socioeconomic growths in history. The government's development plan has been effective. They still need to keep replacing the 84% economic dependency on oil - a resource that is dwindling.

Higher economic diversity to include focus on tourism and gas-based industries. So far it has achieved a considerable drop in oil dependency. Its main products now are cruise oil, refined petroleum and natural gas account for most exports, while imports consist mainly of machinery and transport equipment, basic manufactured goods, and foodstuffs. Some manufactured products are also exported.

We pray for those still exposed to poverty in Oman mainly due to unemployment, underpayment and lack of economic diversification.

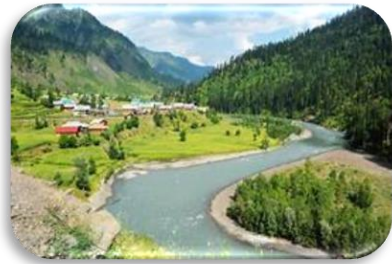

Father thank you for the rich economic turnarounds this country has experienced over the years. May this continue consistently. Be their guide as leaders focus on wealth equity for all. Give hope in areas where it seems to have been lost.

Refresh and revitalize this nation for your honor and glory.

Amen

PAKISTAN

Dear Father,

We pray for your 231 million children, our brothers and sisters. Houses the tallest vertical mountain in the world along with four of the 10 highest peaks of the planet, makes Pakistan the 'rooftop of the world'. The Biafo glacier is the world's longest glacial system outside the polar regions and that too is in Pakistan. Home to a diversity of stunning landscapes. This nation is the world's fifth-most populous country, with a population and has the world's second-largest Muslim population.

The major exports of Pakistan include textiles, leather, and sports goods, chemicals, carpets.

Meanwhile, Pakistan also exports significant quantities of rice, sugar, cotton, fish, fruits, and vegetables. We pray for the 17% exposed to poverty.

God you are amazing across the globe. May you continue to be present in all your nations. Please rule and reign where all eyes will see that it is your hand at work. Be present where your presence will draw all people to you.

We thank you Father for your regal state that stands strong.

Amen

PALAU

Dear Father,

We pray for our 18,000 sisters and brothers, your children. Considered to be one of the 7 underwater wonders in the World. Has one of the greatest diving spots of the earth. A tropical archipelago in the western Pacific, is renowned for its island scenery, diving sites, and world-famous natural features such as the forest-tufted Rock Islands and Jellyfish Lake.

Its economy consists primarily of subsistence agriculture and fishing. The government is the major employer of the work force. Also relies heavily on tourism so much affected by Covid.

Sales of products such as vegetables, root crops, fruits and betel nuts are common. Farm labor is provided by women with the most commonly produced commodities being sweet potatoes, cassava and some fruits.

We pray for 12% of its people exposed to poverty.

God thank you for your majestic beauty experienced by the smallest and largest nations - your beauty missed no one. Be with these people as the leaders come up with creative ways of using its resources to bless its small population. Help each to have enough for life's comfort.

We thank you for you are indeed flawless.

Amen

PALESTINE

Dear Precious Father,

We bring your 5 million children, our brothers and sisters to you today. One of the most important and holiest cities in world history. Very diverse country with many landscapes, and the beautiful blue Mediterranean Sea. Uniquely is a holy land for the three major world religions: Christianity, Islam and Judaism. Home to some of the first agriculture in the world.

The top exports of Palestine are building stone, plastic lids, scrap iron, furniture and seats.

Export mostly to Israel, Jordan, Turkey, United Arab Emirates and United States. Israeli settlements and import restrictions led to increased unemployment by damaging the Palestinian economy through increased production costs and decreased land and resources available for production.

We pray for about 36% experiencing poverty. Be their source at this time.

Father God you are amazing especially as we read about this nation and its history that reveal so much about your grand story. We are so honored and privileged to be a part of this ongoing journey with you. May we take time to draw closer to you daily for herein lies our daily joy.

Amen

PANAMA

Dear Father,

We pray for our 4 million brothers and sisters, your children. The only place in the world where one can watch the sun rise on the Pacific Ocean and set on the Atlantic Ocean from the same spot. At the narrowest point of the country, just 80 kilometers separates the two oceans.

Panama City is the only capital city in the world that has a rain forest within the city limits. The first Latin American country to adopt the U.S. dollar as its official currency.

While the country is known for its famous Panama Canal, its natural attractions include birding, whitewater rafting, and snorkeling tours. Panama's biodiversity has been said to be three times higher than the United State, Canada and Europe combined

Economically, agriculture in Panama is an important sector of the Panamanian economy. Major agricultural products include bananas, cocoa beans, coffee, coconuts, timber, beef, chicken, shrimp, corn, potatoes, rice soybeans, and sugarcane.

We pray for the 12.5% exposed to poverty and those groups affected by racism and the indigenous fighting for legal rights with respect to land and development projects.

God, we trust in you only. Your mighty hand is powerful in its reign. Take your place in this nation where nothing that is not of you can stand. Wrap the leadership with a heart for peace and justice.

Let your love cover the land causing transformation like never before.

Amen

PAPUA NEW GUINEA

Dear Papa God,

We pray for our 9 million brothers and sisters, your children. A nation mainly famous for snorkeling and its Virgin Islands where one will find nature at its best. These islands have incredible marine biodiversity. One of the world's most naturally beautiful countries with soaring mountain peaks, unspoiled beaches, lush forests, unique flora and fauna and the cultural richness of the people.

Guinea is also one of the world's least developed countries. Most of the population live in remote communities that can only be reached by aircraft or on foot. Oil, gas and mining account for almost 30% of the country's gross domestic product.

Although considered to be a resource-rich country, there is about 40% of poverty due to lack of jobs, little opportunities to earn cash, too little land to cultivate

crops, not much access to education, lack of access to services thus poor living conditions.

God you are resourceful. We pray for this nation. That its leadership can partner internally and externally to capitalize on its many natural resources to enjoy economic relief for its people. Please open all the doors necessary for this nation to thrive. You are a God of impossibilities.

We trust in you.

Amen

PARAGUAY

Dear Heavenly Father,

We pray for our 7 million brothers and sisters, your children. One of the largest naval powers in the world among countries that do not have access to the sea. Has world's largest water reserves. Largest hydroelectric power plant in the world. Named a nature wonderland with lots of other beautiful scenes and structures.

Agricultural dominates the economy hiring about 45% of the country. We pray for the issues in this nation and for about 25% exposed to poverty. We pray about the corruption that remains widespread, and for the organized crime, environmental destruction and systemic discrimination that are damaging the rights of rural and Indigenous populations. We pray for the poverty and gender-based discrimination also limiting the rights of women and children.

You are such a God of peace and contentment. We pray your presence in this nation that all may enjoy who you are in the midst of them. Be their comfort. Help them to see how much they can enjoy through unity and togetherness in a country so filled of beauty.

Amen

PERU

Dear Father,

We pray for our 33 million brothers and sisters, your children. Houses the 2nd deepest Canyon in the world and one of the most biologically diverse regions in the world. Also known for its diverse history, culture and geography.

Provides high level of telecommunications and financial services. Also, high employment sectors are agriculture, mining, fishing and manufacturing. We pray for about 33% exposed to poverty - especially those in the undeveloped and inland regions because of low economic activity and low availability of capital in these areas. We seek guidance for its leadership that it can find ways to diversity its economy so that the wealth touches all areas.

Thank you, dear God, for your sovereignty. Your everlasting beauty and never-ending love and protection. You are masterful and we stand proudly in your presence as we confidently face each day.

Amen

PHILIPPINES

Dear Heavenly Father,

We pray for our 110 million brothers and sisters, your children. A country known for having an abundance of beautiful beaches and delicious fruits. Home for some of the world's most unique and beautiful coral reefs. Houses longest underground river. Rich in minerals, cropland, timber and both coastal and marine resources.

A country that is strengthening its Digital Economy to Boost Domestic Recovery. Anchored on more robust domestic activities, the Philippines is poised to grow by at least 5% over the next years. We pray for the 18% experiencing poverty due to low economic growth, weak agricultural sector, increased population rates and high volume of inequality.

Father God, we watch the majestic height of your creation through this nation. We pray your blessings on this large group of people. Touch hearts and minds as you reveal yourself to each.

May they find great joy from elevating you throughout its length and breadth. You are all we could ever ask for or need.

Amen

POLAND

Dearest Father,

We pray for our 38 million sisters and brothers, your children. A country known for being the home of Europe's most ancient old-growth forest. Also, a country rich in unique history and stunning geography, from the Tatra mountains to the Baltic Sea.

The country's top export goods include machinery, electronic equipment, vehicles, furniture and plastics. It has enjoyed long periods of economic stability. Polish society is becoming wealthier and the economy is enjoying one of the highest growth rates in Europe. We pray for about 6.5% exposed to poverty. Be with them dear God. Guide the leadership as they try stabilizing the unemployment causing the poverty.

We thank you for your guidance in helping leaders of these nations as they find the economic levels, they need to alleviate poverty.

May your wisdom and creativity cover your earth. You are a God of infinite resources. Reveal your wealth to your people that they may see that you are the holder of power and provision.

We stand strong in you dear Father.

Amen

PORTUGAL

Heavenly Father,

We pray for our 10 million sisters and brothers, your children. One of the oldest nations in Europe. Has the oldest operating bookstore in the world. Known for its beauty and peace. Home to around half the world's cork-producing oak trees across 1.6 million acres of forest. Known for its landscapes, religious heritage and unique culture.

While the economy is strong for the most part, we pray for about 18% at risk with poverty. Continue to boost the wellness of this country that all of its people can enjoy security.

We thank you for your peace that is evident in some places more than others. May this be extended more broadly so that more that enjoy the calmness you desire for us. For us to feel the positive impact that comes from a peaceful lifestyle. Bless and guide us dear Father.

Amen

QATAR

Dear Father,

We pray for our 3 million brothers and sisters, your children. A nation described as a famous horse and camel breeding center at one point. Second flattest country in the world. Considered to have the world's best airline and airport. Longest cycling path in the world. Only place in the world where the sea and desert meet.

This country began benefiting from its commercially strategic position in the Persian Gulf during the 8th century, going on to become a center of pearl trading. It has one of the world's largest reserves of petroleum and natural gas and employs large numbers of foreign workers in its production process.

Because of its oil wealth, the country's residents enjoy a high standard of living and a wellness. Qatar, a major oil-exporting world center, is the world's third richest country.

We still pray for those exposed to poverty because of lack of labor rights. Especially the immigrants. That doors will open to these too who can enjoy wellness of life. Guide the leadership and give them a desire to take care of all as it continues to be a thriving nation.

You are superior God. Your abundance is never ending. May this abundance cover the earth where all of your children enjoy a taste of your goodness. Bless hearts and minds with the desire to take care of those inside and outside of its territories. To live in a manner of comfort but to allow the overflow to provide for others.

Amen

ROMANIA

Precious God,

We pray you for your 20 million children, our brothers and sisters. A country famous for its castles, monasteries, salt mines, and beautiful towns. It is also known for its beautiful landscapes from the Carpathian Mountains to the Black Sea.

We pray for the 25% plus threatened by low poverty levels. Racism is the root of several causes of poverty. Those who are Romani in Romania are more likely to struggle with poverty due to racism and oppression. Large Roma families are hardly able to afford food and basic necessities

Father, we seek your love and unity for this nation. Cause there to be such a value for your diverse people where each adds value to the fabric to this nation. May this rich collage of people find success from the strength of its oneness.

May it become an example to many for its desire and victory in embracing each as a Romanian with no divisions. You are able to do what seems impossible.

You are truly a God of miracles.

Amen.

RUSSIA

Dear Father,

We pray for our 146 million brothers and sisters, your children. A country with the longest railway. Largest country by land mass. Has the largest village in the world. Has 20% of the world's trees. Has lake with largest body of water in the world. Largest bell in the world. Beautiful mountains, beaches, deserts, ethnic villages. Also, a nation that views smiling as a sign of weakness.

We pray for about 12% of people experiencing poverty. Poverty in this nation that is ongoing and multi-dimensional. Diminishing oil profits, one-dimensional economic conditions and government sanctions play a major role in the poverty problems in Russia.

A struggling agricultural sector and sanctions on U.S. goods cause serious problems for food security in Russia.

Father your arms are wide and your love is deep. Wrap this largest land mass with all that is of you. That joy will fill this nation and seen as strength from you that causes laughter and lightness.

Cause this nation to be metamorphosed by your presence that transforms life internally and externally. That all will see the power of love flowing from the nation that will touch and bless lives as they give all credit and glory to you. Nothing is impossible with you dear God. We hold you up high above all other.

Your work will be done globally.

Amen

RWANDA

Dear Father,

We pray for our 13 million brothers and sisters, your children. A country known as the land of a thousand hills. Its stunning scenery and warm, friendly oriole offer unique experiences in one of the most remarkable countries in the world. It is blessed with extraordinary biodiversity, with incredible wildlife living throughout its volcanoes, montane rainforest and sweeping plains

We pray for the many experiencing poverty - at times, as high as 50%-91%. We trust for strong mining, tourism, coffee and tea that can move the economy in a positive direction. Also, for advancements in education and agriculture.

Recently there has been a decrease in poverty by creating business opportunities for the people - thank you for this.

God even among the poorest nations, your brilliant creation shines through. Your Hand is steady and it intended equality for all people. We rest in your fairness and justice.

You rule eternally and we stand strong on you as the Author of our journeys. Thank you for your presence.

Amen

ST. KITTS & NEVIS

Dear Father,

We pray for our 53,000 brothers and sisters, your children. A country known as the ‘Mother of the Colony of the West Indies’ being the first to be colonized. Housed the first hotel in the region in 1778. Has amazing beaches and a rich history loved by many.

Its main source of income is tourism. High exporter of a variety of electronics to USA, Germany and Canada. Sugarcane a huge part of its economy as well. We pray for those exposed to poverty. The poverty rate varies a lot from high to very low. Some of its people receive government assistance monthly. We pray for ongoing provision as leadership utilizes its beauty and other opportunities for financial wellness. We praise you and lift you above all others. We are grateful for your grandness as taller than the beautiful mountains you have created. Lift your people to great heights with and in you.

Amen

ST. LUCIA

Heaven Father,

We pray for our 184,000 sisters and brothers, your children. A country known as the beauty queen of the Caribbean. Crescent-shaped beaches, small fishing villages, rainforests, reefs, waterfalls, geothermal attractions, and lush mountains. Loved for amazing scuba diving and snorkeling.

Heavily export bananas, mangos and avocados. Considered to have one of the most diverse and well-developed manufacturing industries in eastern Caribbean. We pray for about 23% of its people in poverty. Guidance for leadership as they explore ways of lowering this rate.

God your beauty is so breathtaking. To think you would perfect creation for our pleasure. Thank you for all you do for your people. Cause our hearts to grow strong for you. May we enjoy all of your works as we give all glory to you.

Amen

ST. VINCENT & THE GRENADINES

Dear Father,

We pray for our 111,000 brothers and sisters, your children. The world's leading producer of arrowroot and other exotic fruits and vegetables. Known for its extremely beautiful white sand beaches and scenery throughout the island. Loved for its food, people and scuba diving. Has one of the world's oldest botanical gardens.

We pray for almost 50% of its kids in poverty. A country that depends heavily on agriculture, forestry and fishes but suffered much because of ongoing natural disasters. Low unemployment and education. Strides being made to increase economy through tourism into this beautiful island.

Father your majestic beauty is seen throughout your nations. Not one lacks your amazing creation. Thank you.

Keep lifting your people through knowledge, creativity and peacefulness that each can rise to care for its people through internal means and external relationships.

We trust in you for you are our direct source.

Amen

SAMOA

Precious Father,

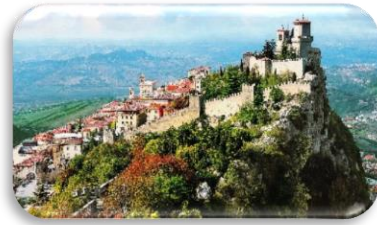

We bring our 198,000 sisters and brothers, your children before you today. A nation known for its communal lifestyle to the extent of homes without walls. Unique for birds not found anywhere else in the world. Loved for its beeches, waterfalls, rainforests, mountains.

A nation with a steady economy based on mainly fishing, agriculture, tourism and help from overseas. We pray for the 20% or so still in need - mainly women, the young unemployed and those living in the remote regions of the country. May there be the sustenance needed for more of its people - be their daily source that alleviates the need for basic essentials. Reveal ways for provision for these groups of people. God you are all we will ever need for daily peace, love, joy, hope. The things that cost nothing but a belief in you. That you are our Father who dwells within us. Deep inside of us is all we need ... cause us to look within and to anchor ourselves in what is priceless.

Amen

SAN MARINO

Dear Father,

We pray for our 34,000 brothers and sisters, your children. Known as the world's oldest surviving republic that houses the oldest constitution in the world.

Considered one of the smallest countries in the world. Nation remembered for being the first in the world to establish regular postal service. Also known for its extraordinary beauty. Its mountains and rolling hills.

We pray for the low percent in poverty due to unemployment. Thank you for the plan to keep increasing jobs. An economy that relies heavily on tourism, banking, and the manufacture and export of ceramics, clothing, fabrics, furniture, paints, spirits, tiles, and wine.

Oh, Father your beautiful creation is seen in every country. Each nation has the joy of experiencing your beauty in one way or the other. We thank you for what you have bestowed upon us.

May we never take any of it for granted. Amidst the busyness of life, may we pause to just enjoy your powerful work of nature.

Amen

SAO TOME & PRINCIPE

Heavenly Father,

We pray for our 219,000 brothers and sisters, your children. A nation that has the greatest biological diversity as well as the highest number of endemic species in the Gulf of Guinea; the first place that volcanic activity ceased, allowing forest and animals to become established more quickly. Located around the center of the world. Known for its beautiful beaches and waterfalls. For its fresh foods and for having what is described as the best chocolates in the world due to its large cocoa plantations.

We pray for its 33% living in poverty due to low income, lack of productive assets and means of production. That doors will open for this small island and its people. For opportunities to maximize on its natural resources and friendly people.

Father, we praise and thank you for your never- ending beautiful creation. Your Hand has provided us with your very best. Show us how to care and use what you have given us to sustain ourselves. Guide us daily. That our needs would be met so that we can focus on the things concerning you. To be free to do your work on this earth.

We rely on you Father.

Amen

SAUDIA ARABIA

Dear Father,

We pray for our 35 million brothers and sisters, your children. A nation known to be the largest producer of oil in the world and houses the largest desert in the world. Origin of Islam and Arabia Horses. Its beautiful beaches and mountains.

We pray for the 20% poor who are mostly women and women heading their homes. We are grateful that more women are being allowed to work to take care of their families. Also, please guide the efforts being made for alternative food production with water and farmable land becoming scarce. May there be more equalized wealth that can reduce the poverty rate.

God, you stand tall in each of your nations. Your power surpasses all other. We thank you for interceding wherever is necessary to bring peace and well-being to your people.

Open doors to opportunities for those who need your help.
Stand tall and strong by each who calls upon you. In the
secret of their being make yourself known.

Amen

SENEGAL

Heavenly Father,

We pray for our 17 million brothers and sisters, your children. First African country to host the Olympics. Has an island made of seashells. Known for its pink lake and beautiful new beachfronts.

We pray for its declining economy due to extreme floods, droughts, rising fuel prices and global financial. For almost half the population experiencing poverty - about 7 million in need. We pray for strategic and lasting solutions that pull from the resources of this nation.

Oh, Father these are your people. Remind them that you are their major source. Through your loving touch, may they eat their bread and taste of your heavenly bread too that will forever sustain them. We know you care for them. We agree for wellness for these precious ones.

Amen

SERBIA

Dear Father,

We pray for your 9 million children, our brothers and sisters. A nation of beauty with great scenery and medieval castles. One of the world's top producers of raspberries. Houses renowned scientists.

We are thankful for the period of ongoing declining poverty rate. We pray about its rise and the some 21% currently experiencing poverty. Guide the leaders as they institute an education system that better meet the employment needs.

God you are magnificent. Turn our eyes to you our Creator as we hold you high above your creation. Your majesty fills our daily lives with such joy and fulfillment. We feel so complete in you. Thank you for being our ever-loving Father who fills every need and every void.

Amen

SEYCHELLES

Heavenly Father,

We pray for your 98,000 children, our brothers and sisters. A country that is 99% water and known for its rare birds. Smallest country capital in the world - Victoria. Has some of the best diving sites in the world.

We are thankful for its strong economy but also pray for the 24% experiencing poverty. Many lack the basics like clean water, electricity and food. We seek your provision for these people. Be their source of relief. Touch their hearts and renew them with hope.

Father, we know that you are a caring God. You see the largest to the smallest country. Your feet are present in all of them. Touch this nation. Let them feel your presence in a special way.

Remind them that nothing is hidden from your sight.

Amen

SIERRA LEONE

Precious Father,

We bring your 8 million children, our brothers and sisters before you today. A nation known around the world for its blood diamonds (also commonly referred to as conflict or war diamonds) which were mined and sold for weapons during the country's violent civil war from 1991 to 2002. Known for housing the world's largest Cotten tree.

We pray for the many in poverty - some 44% due to corruption, weak governance, high youth unemployment, lack in education and poor public infrastructure among other reasons.

We pray for peace in the midst of struggles there right now. Touch hearts and minds dear God. Remind them that you are a God of peace. Nothing will be achieved outside of this peace you declare from your Royal Throne to this nation. Give calm to those in fear of danger. Take Full control. Thank you.

Amen

SINGAPORE

Heavenly Father,

We pray for our 6 million brothers and sisters, your children. Known for its beauty and manmade waterfalls, first night zoo in the world, best airport in the world, first grand Prix night race in the world and other wonders.

We pray for about 26% of the nation experiencing poverty. A country with one of the largest income gaps in the world with foreigners making more than locals. No minimum wage to guide entry level jobs. We seek your help to open doors so that more young people can find jobs and be encouraged to excel in their areas of great potential.

God you are so amazing. Thank you for your grace that is ever present. You can create opportunities for these young people that seem impossible. Give them encouragement. May their hearts find you and may they learn how to rest in you for their futures.

Amen

SLOVAKIA

Dear Father,

We bring before you your 5.5 million children, our brothers and sisters. Houses one of the world's most accurate astronomical clocks. Known for its castles and beautiful nature. Has the most castles in the world.

We pray for the 11.4% in poverty mainly caused by a prolonged dependency on factories. Open a variety of doors for this people. Give them diverse opportunities to enjoy wellness especially the minority.

God you are creative. Bless this nation with innovation. Integrity the population so that the minority feels a part of the majority. Cause there to be a higher level of inclusion among your people. We love you and trust you.

Amen

SLOVENIA

Dear Father,

We pray for our 2 million brothers and sisters, your children. A country famous for its beautiful landscapes, lakes and dramatic scenery. A country that is home to one of the most beautiful lakes in the world and some of the best ski resorts in Europe.

We thank you that this nation is considered to be one of the safest in the world. We are also grateful for its overall food economy. We pray for those 12.5% still in poverty due to a variety of inequalities including educational opportunities. Be the balance your people need to ensure more persons enjoy a better standard of living. Guide the leaders as they strategize and give them a desire to advance the poor.

You are such an amazing Father. You bless us with wisdom for our daily decision making.

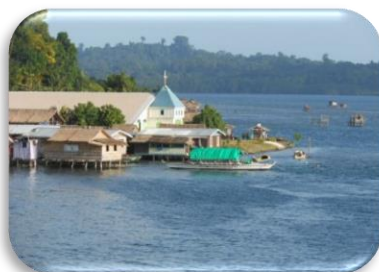

May we ever be cognizant of what you make available to us through your life in us. Thank you for your Royal presence.

We worship you.

Amen

SOLOMAN ISLANDS

Dear Father,

We pray for our 686,000 brothers and sisters, your children. A country that is looked upon as unspoiled and uncrowded. Viewed as a paradise with lots of natural beauty such as its plants, animals and especially its marine life.

We pray for its wellness as well as its 23% that experience poverty due to political unrest and natural disasters. We seek peace for this people and protection from natural disasters. You control the winds and the rains.

God your Hand in creation amazes us. You are God of all. Remind us to always focus on the Creator and not creation. Let us never lose sight of your all-powerfulness that is ever present. We trust in you.

Amen

SOMALIA

Precious Father,

We pray for your 16 million children, our brothers and sisters. A nation with untapped reserves of numerous natural resources, including uranium, iron, ore, tin, gypsum, bauxite, copper, salt, natural gas. Its beautiful beaches and landscapes.

We ask your blessings on the 69% poor in person this country. Let each feel your warmth and hope. Hug them close to your heart. Protect them. Heal them. Assuage their fears. Comfort them.

Father, we know we can trust you to go to heights and depths to touch your people. Please touch this nation. Let your light so shine among them that they may give you all the glory.

We ask this humbly in your faithful name.

Amen

SOUTH AFRICA

Dear Father,

We wrap with prayer our 61 million brothers and sisters, your children. A nation known for its world wonders: parks, great natural beauty, spectacular landscapes and very diverse African animals. Largest producer of macadamia nuts in the world. Second largest fruit producer in the world. First heart transplant process in the world. Highest commercial bungy jumping in the world.

We thank you for its highly developed economy and its advanced infrastructure. For it being one of the world's largest exporters of gold, platinum, and other natural resources. For its well-established financial, legal, communications, energy, and transport sectors and the continent's largest stock exchange.

We also pray for its 55% living in poverty. May its wonders and resources be utilized to alleviate the poverty.

May the door open for high equity and jobs for women who also have much to offer. We ask your guidance as leaders remain conscious in their efforts for better equity of its resources.

You are a God of great hope for your people. We believe in you. We rest in you. We exalt your name and your work throughout this nation.

Amen

SOUTH KOREA

Dear Father,

We wrap with prayers our 51 million brothers and sisters, your children. A nation with historical sites and very traditional culture in spite of its high level of technology. Known for its beaches, palaces and beautiful cherry blossoms.

We pray for its poor that is about 15% but many in numbers because of its large population. We are thankful for the transition of this nation from a low income to a high-income economy. We trust for a continuous upward move that will help more to enjoy a better life.

What a joy to trust you. You give hope where it is most needed. We stand in the midst of your peace for this people. Calm their hearts with the assurance that you care. That you are their God, that you will clear the fog so that many will see the need and rise up to help.

Amen

SOUTH SUDAN

Heavenly Father,

We lift our 11 million brothers and sisters, your children to you. A nation with one of the richest agricultural areas on Africa. Houses over 60 major ethnic groups. Known for its savannas, rainforests and rich wildlife.

We pray about the severe droughts and floods that affect its developmental efforts. For the 82% that endure poverty. Bless its efforts to implement a new education system that will reduce the cost of education. Open doors locally and internationally that will refuel the economy. Bless with help that can lift this nation during a tough period.

Oh, dear God you hear when no one else does. You are never asleep to our cries and pleas. Cause us to rest knowing that you hear us before we even vocalize our needs. We praise and glorify you. You remain steady in times of troubles. Thank you.

Amen

SPAIN

Dear Heavenly Father,

We bring our 47 million brothers and sisters, your children to you today. A nation known for its culture, stunning scenery with lovely beaches, lakes and mountains.

We pray about its 21% poverty. High unemployment, early school leaving, low salaries and job insecurity. God, we seek guidance for its leaders to explore the many wonders of this nation that may result in increased opportunities for earnings and higher education achievements.

God, you see where we don't. We trust your eyes and ears. Bless this nation with astute creativity for a better economy. Be their daily guide. You hover over us daily with your knowledge and wisdom. Thank you for being our God.

Amen

SRI LANKA

Dear Father,

We pray for your 21 million children, our brothers and sisters. A nation known for its rich cinnamon and tea exportations and many natural wonders. Known as the gem of the Indian Ocean with its beautiful beach and wildlife. Houses the world's oldest planted-tree and one of the oldest flags in the world. Housed the first female prime minister in the world and has the highest literacy rate of 92% in South Asia

We pray for its poor that is about 11% of the population. We pray for economic stability as it works with international partners on foreign debt resolutions. Bless this nation with creative solutions that can reduce its foreign debts through utilization of its rich resources.

Oh, dear God you penetrate all cultures and languages. Your oneness with your children knows no barriers. Your love is so colorful and boundary-less. Thank you precious one.

Amen

SUDAN

Dear God,

We pray for our 44 million brothers and sisters, your children. A nation that houses the world's largest collection of pyramids. Beautiful beaches and scenery.

We give thanks for their extensive oil fields that can boost any economy. But we pray for the many in poverty - some 32% that makes this nation the poorest in North Africa. Touch the heart of each with your comfort. Make provision possible where there seems to be no hope.

We pray for better weather conditions, reduction in conflict and political rest and restoration. Let your peace reign mightily throughout this nation.

You are a God of such calm. May your daily walk on this earth replace strife with peace and heal nations. Peace that is priceless. It costs nothing but a reminder that all wealth and joy come from you.

Amen

SURINAME

Precious God,

We bring your 587,000 children, our brothers and sisters before you today. Smallest country in South America. Known for its rice and sugar cane. Beautiful rainforests and extreme ethnic diversity. A place where many religions exist peacefully.

We pray for this nation with extreme poverty levels yet ranked high for having great economic potential. Guide its leadership as they find ways of utilizing all of their resources and opportunities to free its people from low standards of living. Be their daily guide. Be the comforter of these people. Keep their eyes on you as their source of relief.

God, your beauty is constant. It illuminates each day. We can best enjoy tomorrow when we know you are already there. Thank you for your footsteps that guide us daily.

Amen

SWEDEN

Dear Father,

We lift to you your 10 million children, our brothers and sisters. A nation with beautiful landscapes and unusual ice hotel. Its pleasant seasons and freedom of religious beliefs.

We are thankful for Sweden's welfare system that is one way of controlling the threat of poverty throughout the country. By providing a standard minimum income, free education, free childcare and universal healthcare, Sweden's government is able to provide opportunities for its citizens to increase their productivity and educated workforce.

We also pray for about 165.000 still in extreme poverty. Please keep guiding Father so that more can enjoy a stable and better life.

Oh, dear God I am so encouraged today as I reflect on the freshness of your tireless love. Please remain our rock and fortress always.

Be our anchor when all else fails. We honor you. We love you. We trust you. Remain at the helm. Once you do we know all is well.

Amen

SWITZERLAND

Dear God,

We pray for our 8.6 million sisters and brothers, your children. Beautiful landscape with the most photographed mountains in the world and Europe's largest waterfall. Houses world renowned castles and libraries.

We rejoice with this nation for its solid economic status and decreasing poverty rate. We pray for continued financial astuteness so that those still in poverty there will find a reprieve - the elderly, single parents and immigrants. We pray for more equity and consciousness of those in poverty. Give hope where it is needed.

You are a God of balance. We seek this for nations that can use it for a higher level of wellness for all its people. A pride that seeks after ensuring no one gets left behind. We believe you can work in and through lives in the most miraculous manner. Our trust remains in you dear God.

Amen

SYRIA

Precious Father,

We bring your 17 million people, our brothers and sisters to you. Home to one of the oldest civilizations in the world. Rich heritage and culture. Houses the oldest library in the world. Has Damascus, the oldest capital city in the world.

We pray for rest and replenishment for this nation where about 90% of its people experience poverty. Lord, you hear their cries. You know all of their needs. Please provide as you make yourself known to these people. Restore their faith and remind them of their source. Be their fortress in times of trouble. Visit the depth of their hearts as they feel your presence that brings relief.

God you are our miracle maker. You dare to go where no one else does. You are full of life and we claim your life for this nation today. Be their light amidst the darkness. We trust you God.

Amen

TAJIKISTAN

Dear Heavenly Father,

We pray for our 9.5 million brothers and sisters, your children. This very mountainous beautiful scenic nation houses one of the world's tallest dams. Has the world's tallest glacier outside the polar regions.

We are thankful for the ongoing reduction in poverty with prayers for those still victims of this. Guide the leaders so that they may do what is necessary to improve overall living conditions. Let them be determined to reduce all types of abuse - internal and external so that its people can enjoy a peaceful and sustainable living. We also pray for its protection from high risk of earthquakes.

We honor you as our God of peace. You reign mightily in the midst of us and our communities. You have control over any internal or external influence that threatens to disturb our calm. We seek your hand of refuge when ours fail. Thank you just for being God so that we can find daily rest.

Amen

TANZANIA

Precious God,

We bring your 60 million children, our brothers and sisters before you today. Another landscape with your handprint. Largest country in East Africa. Houses millions of your animals. Has one of the largest lakes in the world and some of the most beautiful beaches.

We pray about some of the extreme poverty in that area dear God. That agriculture which is their main subsistence can be better regulated and supported. Provide the help they need internally and globally. You are their ultimate hope.

Father, there is so much we do not understand about your world today. But what we do know is that you did not spare beauty in blessing us globally. Thank you for your amazing creation. You are a God of great majesty and splendor.

Amen

THAILAND

Precious Father,

We wrap our 70 million brothers and sisters in prayer, your children. That your love will illuminate their lives daily as they continue seeing your goodness in and through their days. The only Southeast Asian nation never colonized. We thank you for their freedom. Their beautiful beaches and historic sites. Home for the smallest (bumblebee) and largest (whale shark) creatures in the world.

We are grateful that the poverty rate is low but because of the population, this means that about 5 million still need help. Be there with them as you make a way even if it seems impossible. You are a God of the impossible.

Oh, Father what a joy to awake each day to your presence knowing that you are leading the way. Continue being the light that guides us each day.

Amen

TIMOR-LESTE

Precious Father,

We bring our 1.3 million brothers and sisters, your children to you today. Oh God, let your living waters flow through this nation. Known for its pristine beaches. One of the only Christian nations in Southeast Asia. Timor is home to the world's most biodiverse waters. One of the world's least obese people.

We ask your mercy and grace for this nation with its high poverty rate. Provide bread for them as a Father always does. You will not deny us. Wrap the governance as they make the types of decisions that bring life, healing, wellness to the people. Cause others to reach in with help and astute guidance.

We just rejoice in you dear Father. Your love touches lives in the mountains and the valleys. You are ever present.

Amen

TOGO

Dear Father,

We bring our 8 million brothers and sisters, your children before you. Blessed with many finishing villages, mountains and beaches. Its white sands and calm oceans are rare beauties.

We pray for hope and wellness and provision for this nation with a high poverty level - 50%. We pray for peace. May the calmness of the ocean travel through this entire country. Bless the many volunteers who are there to lend a hand to the multiple needs. Twenty percent of these children may not live to see their 5th birthday. But this can change Father. We seek your supreme intervention.

You are such a God of love and grace. You walk tall in the midst of these, your people. We claim victory for them and we know that your Word cannot return void. Thank you for hope where there seems to be no hope.

Amen

TONGA

Heavenly Father,

We bring to you our 105,000 brothers and sisters, your children. A nation that also stands out because of its uniqueness

Tonga is the only Pacific country which was never colonized. Home of the humpback whales. The country totally shuts down on Sunday where it is against the law to operate business etc. It is known for the world's first adhesive stamps. It is one of the most obese countries in the world with the heaviest Monarchy at 440 lbs. that hit the Guinness Book of world records - he lived to age 88.

We pray for the 27% in poverty in this nation. May doors open for improvement in living conditions for many. Be their hope each day. Be with the leadership as it works through high cases of domestic violence and various types of pollution. Heal where there is need for healing throughout this nation.

You are a God who walk steadily amidst your creation.
May many come to feel your presence that brings peace
and prosperity. The type of wealth that cannot be touched
by human hands. We pray wealth for Tonga.

You are a God of such divine order. We rest in this.

Amen

TRINIDAD & TOBAGO

Dear God,

We pray for our 1.4 million brothers and sisters, your children. A country of much beauty and its own uniqueness. Place where the steel-pan instrument was birthed using oil drums. Houses the hottest pepper and natural deposit of asphalt in the world. Second largest turtle nesting site in the world.

We thank you for their resources and overall good economic status. We also pray for more equity so that the poor can enjoy a better standard of living. Be with leaders as they deal with multiple social and economic issues at the infrastructural level. Let your peace reign so that your people can live in harmony. Guard their well-being and keep revealing yourself in their midst.

God you are that source of peace that is priceless. It comes from knowing you are well within us.

You reign in our innermost beings giving us that deep desire to love self and others. Thank you for being all we need to start and end our day with calm.

Amen

TUNISIA

Dear Father,

We wrap our 12 million brothers and sisters, your children with prayer. A nation with its own special features. High equality between men and women and has the 4th most important cities honored by the Muslims. Has one of the world largest amphitheaters. A place where many live undergrounds.

We pray for less economic disparities among its regions so that more can enjoy a better standard of living. Be their guide and may your grace cover where it is needed. Be a fortress and refuge to the voices raised to you for help. May each come to feel your glorious presence through a personal relationship with you.

God, you stand majestic through your Holy Word. We are as tall as our knowledge of your Word that guides every step of our existence. We humbly thank you for all you have given for survival.

Amen

TURKEY

Dear Father,

We join our brothers and sisters in prayer for the 84 million in this nation, your children. We claim this people for your glory.

A country with one of the fastest growing economies and its self-sufficiency where this nation can survive without any trade. One of its wonders being the origin for the beautiful tulips - one of your delicate creations. Known also for its ancient beauty and architecture.

Like other countries, this nation also houses many poor ones. We pray for these that you will continue revealing yourself to them through daily provision. May they look to you as their source.

God you are ever amazing. You make each day so complete. Because of you we can awake daily knowing our needs are met. Thank you for your consistency in our lives. We love you. Father.

Amen

TURKMENISTAN

Dear God,

We join our 6 million brothers and sisters today, your children. A country with its own uniqueness. One with 70% desert. Houses some of the sweetest melons in the world - there is a national holiday just to celebrate this. One of the least visited countries due to visa issues. The Guinness Book of World Records has awarded Ashgabat (its capital city) the prize of having the highest density of marble buildings in the world. One of the world's 4th largest in natural gas. God how does one ever comprehend the vastness and wonders of your creation that each country enjoys in one way or the other.

God, we celebrate this nation's low poverty level and its heavy reliance on agricultural products that seems to work for them. Keep blessing their lands and labor opportunities. Continue blessing them with peace as they get to know and embrace your presence among them.

Amen

TUVALU

Dear Father,

We bring this nation of 12 thousand before you - our brothers and sisters, your children. The 4th smallest in the world, using no credit cards and comprised of all coral atolls. This means it could disappear at any time that causes fear in many. A country where no one in the world needs a visa to go there but rarely anyone does because of the difficulty in getting here.

Father, guide and bless the decisions to relocate this country to New Zealand or another location to save its people - your precious ones - each life. If New Zealand is the right place - open this door especially since it shares a respectful relationship with Tuvalu due to sovereign equality and that spirit of close friendship. You see where we do not so you know what is best for the Tuvaluans.

You hold the whole world within the palm of your hands. A world that is large for us but small to you. We can always come to you. Thank you for being God - our God.

Amen

UGANDA

Dear Father,

Today we stand with our 45 million brothers and sisters, your children. As I travel around the globe in prayer, I am seeing how each country has its own special touches and resources that draw others.

This nation with its friendliness and amazing Safari experiences and largest freshwater lake in the entire continent, along with having the longest river, the strongest waterfall and rare wild animal life continue to capture the interest of tourists. It remains a fascination for many.

We pray about the high poverty rate there. God, guide and show how its rich resources can be tapped into further for the wellness of its people. Cause there to be such a global intervention where the disparities between the richest and the poorest countries dwindle.

The entire earth is yours. Take control. May all remain powerless in light of you.

Thank you for being a God who gives deep inner hope when all hope seems to be gone. Be that strong place where we can lean and feel soothed.

Amen

UKRAINE

Dear Papa God,

We wrap our 44 million brothers and sisters, your children with your love and peace.

One of your largest in Europe and most educated nations in the world with its own beauties. Where there is pain, soothe. Where there is grief, peace. Where there is anger, calm.

So much in life cannot be explained nor understood. But what we know for sure is that you are the Author and Finisher of our life's journey. You hold us in the palm of your hand no matter what is happening. We remain with you in mind, body and spirit. Nothing or no one can pluck us out of your Hand nor take away our place in you. We remain in you through life or death for neither is outside of you.

At the end of the day, our inner joy comes from you. You reign supremely above all earthly powers. We will remain faithful to you even when life does not make sense. Let us find our rest in you. Just knowing our eternal salvation comes from and is you.

Thank you Mighty and Supreme One.

Amen

UNITED ARAB EMIRATES

Heavenly Father,

We pray for our almost 10 million brothers and sisters, your children. A country with its own uniqueness. The longest driverless metro running 46 miles of track. The tallest building in the world. No main rivers running through this country. One of the 10 richest countries in the world. Rich cultures with over 200 nationalities sharing space.

Yet we pray for this nation too with its own social challenges and for those in poverty that is a fairly high percentage - about 1 person in every 5. Let equity be found in you as the wealth flowing from you fill the hearts of the poor with deep knowledge of and satisfaction from you. We ask that your living waters will cover and make up for this mostly dry land.

Your presence makes all the difference. It makes natural wealth seem as poverty and spiritual wealth seem as all we could ever need for life's daily joy. Thank you, Father.

Amen

UNITED KINGDOM

Dear God,

We stand with almost 68 million brothers and sisters in this nation, your children. A nation where you will always prove to be the greatest and most elite royalty. Stand tall as all turn to you for their rest, provision and salvation. These can only be found in you.

The UK remains one of the world's greatest powers, with considerable economic, cultural, military, scientific, technological and political influence internationally. Yet like other parts of the world, it is dealing with major social issues such as obesity, mentality illnesses, poverty, gender issues and more. About 1 of every 5 is at or below poverty level.

God heal this nation too. Let its people feel daily hope coming from your grace that is ever available to us. Let the poorest of poor feel their place of royalty in and through you. The type of royalty that is God created not man created. We place this nation in your Hand.

Amen

UNITED STATES OF AMERICA

Dear Heavenly Father,

Today we wrap our 321 million brothers and sisters in this nation, your children. We pray that your presence reigns mightily. We rejoice with this country for its many beauties and wonders.

But God, may the people ever be mindful that it is indeed easier for a camel to go through a needle eye than for a rich man to enter the Kingdom of God (Matthew 19:24). May the fatness of wealth never deprive us of the great joy of being one with you. It is a joy that remains priceless. Nothing in the world is worth losing you in our lives. You fill us in ways nothing else ever can.

We pray for the millions who still live at or below poverty level in this country. Be their fortress and their provider. Remind them that their source of wealth comes from you. Be the bread they don't have.

May you walk tall though your Holy Word in every corner of this nation.

May its Statue of Liberty indeed be one that beckons persons not just for economics but to enjoy an example of a nation truly under God.

Amen

URUGUAY

Dear precious Father,

Today we wrap our 3.5 million brothers and sisters in Uruguay, your children. So interesting to traverse the globe getting to know your nations and people. So many similarities yet differences.

We pray for this smallest Spanish speaking country in South America yet the largest beef consumer in the world, one of the first to win a World Cup and houses the oldest population in the South American region. In spite of these wonders, this country has poverty and other challenges as well.

We ask for your provision for those in need dear God. Give guidance and structure so that the resources of this country can translate into a higher level of wellbeing for its people. Cause the many to reach into their faith in you where there is always found hope and comfort.

We thank you that in every nation there are your faithful ones who can come to the altar on behalf of their people. We join in their prayers supporting their cries. For you are a listening God.

We rest this nation in your trusting care.

Amen

UZBEKISTAN

Dear God,

We bring this nation of some 33 million before you. Our sisters and brothers, your children.

As I reflect on this country with its almost 75% desert land, I can only pray for your living water to moisten the dryness. Cause there to be such a blessing of wetness that can only happen by your miraculous Hand - a Hand capable of rolling back that Red Sea.

A country so beautiful with so many rich resources yet many still live in poverty - a disparity seen in so many countries.

Each day we are reminded that the only perfect and equal wealth that is available to all comes from you. The type of wealth that is priceless and cannot be bought by human effort. It only requires a heart for you dear God. We ask this for your nation. A people drawn to you.

Amen

VANUATU

Sweet heavenly Father,

So many thoughts as I pondered over this country with some 307,000 of your children, our brothers and sisters. One of the world's most sought-after diving sites. As I reflected on the depth that comes with this level of diving, I could only think of the deep penetration of your Holy Spirit in helping this country value human life.

Lives that are no longer victims to cannibalism. Thank you for this dear God. I weep over lives that were victims of this horrendous practice but know nothing is outside of you including your children - whether in life or death. You hold each life securely in your bosom. Forgive us all for our ignorance as you replace this with daily wisdom.

I see such significance in one of its largest islands being Espiritu Santo (Holy Spirit). Let this island truly realize the depth of its name and be an example to all other surrounding islands.

Continue to touch lives there as each comes to know you in a special way. Give fresh hope where it is needed. Let each one rejoice at what you have and will continue to do in regaining all to yourself.

Let this country with all of its 80+ islands rejoice in proclaiming your greatness.

Amen

VATICAN CITY

Dear Heavenly Father,

We pray for about 800 of your children, our brothers and sisters who reside in what is considered the smallest country in the world. Houses impressive collections of art, ethno-anthropology, and archaeology. Has the most beautiful gardens in Europe. There are many fountains, but the most impressive one is the Galea Fountain, built in the 17th century. This is a small copy of the Italian galea, which shoots water from 16 cannons. Highest level of wine consumption in the world. Said to have the highest wine consumption per capita in the world.

May the benefits and privileges enjoyed by this small nation be a mirror of the wellness of all who serve its continued legacy. May each follower of Catholicism be fed and clothed and be taught to glorify your highness. May the zero poverty of this small nation become what you desire for all your people.

May the offices in this place serve you and your people tirelessly in a manner that returns your people to your heart.

May the infallibility of God and His Word rule and reign in this nation. May your light shine brilliantly in the hearts of each citizen that transcends into a world that seems to be getting darker. We trust in your majesty dear God.

Amen

VENEZUELA

Dear God,

We lift our 30 million Venezuelan brothers and sisters, your children to you with all its beauty and charm. Its 97% faith and literacy rates and high oil and many other rich resources yet such trying times. We pray for the leadership that your presence may serve as a strong guide as decisions are made across the board.

Please give hope where it is needed. Give peace where it can assuage fears. Wrap this nation with your love and grace. Use this as an example of the workings of your mighty Hand. A Hand that rolled back that Red Sea. Make a way Lord for this people.

We know that when all else fails, we can count on you. We rest in you knowing that you love your children more than we ever could.

Amen

VIETNAM

Dear God,

We stand with our 97 million brothers and sisters, your children in Vietnam. I think of your life pouring into this country through some 400 rivers. Waters of life healing and refreshing. Let every drop of water touch this nation in ways that cause hearts to see you through its beauty daily.

Father, thank you for the unity this nation is known for. Let the life of each continue to be a source of strength for each other. Let them be an example to the world of the positivity that comes from oneness amongst your people. A oneness so needed in societies today.

We rejoice with you for all that you have done and will continue doing for this people. Use this nation for your glory ... it truly all starts and ends with you.

Amen

YEMEN

Dear Heavenly Father,

We wrap the almost 30 million of our Yemen brothers and sisters, your children with your love that causes a deep desire to reach into this nation. This nation referred to as the ‘land of milk and honey’ in your Holy Word remains priceless with all its unmatched architecture and talent.

While it may be described as one of the poorest countries in its region today, it continues to stand out globally for its beauty and other qualities that set it apart.

Continue to touch the lives of this nation dear God. We all know that being a wealthy country does not necessarily make us wealthy in your sight. Your wealth is so much more than economics. Preserve the beauty of Yemen and draw hearts to you so that it is a people dear to you. In the long run it is truly not a race for the most material things but a race to your heart.

Amen

ZAMBIA

Dear God,

We bring your 17 million children, our brothers and sisters to you. We thank you for this dear country with its many ethnicities and languages. Such a home for your richly diverse people. May they be an example of your unity in spite of diversity. Let peace reign mightily God as you replace fear with trust.

We thank you for its economy that rebounded in 2021, with GDP growing at 4.6%, from a contraction of 2.8% during the pandemic in 2020. Its recovery was driven by high copper prices, post-election market confidence, and continued recovery in agriculture. Economic activity has remained positive in the first half of 2022. We pray for the 60% exposed to poverty due to high food prices.

Walk tall through this country lifting lives with you as each comes to feel your majesty. Be the identity of your people there.

Remind them that they are born in your royal image. All you are is theirs for you have chosen to make them your own. You have an inheritance for them that they have not yet tapped into.

In your precious name we pray.

Amen

ZIMBABWE

Dear Father,

We bring our 14 million sisters and brothers and your children in Zimbabwe before you today. As I admire its breathtaking Victoria Waterfalls, I think of your blessings being poured into this nation.

We thank you for its economy that after continuous negative growth between 1999 and 2008, the economy grew at a meteoric annual rate of 34% from 2008 to 2013, rendering it the fastest-growing economy in the world. Growth since then has been volatile, but averaged 5% on an end-to-end basis. Its economy is expected to grow again and faster than its neighbors, rising from 3.9% in 2021 to 5.1% in 2022. The country has reserves of metallurgical-grade Chromite.

Reign powerfully in the midst of them Father as each comes to a strong realization of your authority that is final. Give hope where it is lost. Give faith where there is a lack. Insert assurance where there is a wavering.

We pray for the 76% of children in rural areas exposed to poverty and overall, all about 50% of the population.

Be their covering in times of fear and concerns. We rejoice with nation as we see them rise to your highest calling claiming victory like never before.

We thank you.

Amen

Tracking Countries Globally during my Prayers for the Nations from June to December, 2022.

From as far back as I can recall, I was fascinated with the globe – maybe from age 5!

PRAYER

Dear God,

Thank you for your love that spans the globe. As I traveled through these nations in prayer, I realized that your beauty covers the earth. Each country is filled with your lovely creation in the most majestic ways.

We pray grace and compassion for all peoples of the earth. That all will return to you as each sees your nature as a Father of immense love, peace, hope and joy.

Amen
